

S.S.S. CURES MALARIA

Malaria is due to impurities and poisons in the blood. Instead of being strong and healthy, the circulation has become infected with germs...

During 1900 I was running a farm on the Mississippi river and became so impregnated with Malaria that for a year I was almost a physical wreck.

Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliancy vanish like the bloom from a peach which is rudely handled.

As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form at once witness a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription.

For nursing mothers, or those broken-down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription."

Repeats and That Settles It.

Gowan's Pneumonia Preparation repeats because it is a remedy of merit and will do all claimed for it. Being external it cannot form the drug habit. Containing its curative agents in a vehicle of animal fats, it penetrates quickly, scatters inflammation and congestion and reduces fever. It gives instant relief in croup, coughs, colds, sore throat and pains in the lungs. Absolute proof from highest authority that it will prevent and cure pneumonia in worst stages. For burns it relieves the pain and heals at once. For rheumatism, sprains, bruises, sores, muscular aches and stiffness, it gives quick relief. These statements are verified by thousands of letters by users. A trial bottle will convince. Once a customer, always a customer. You cannot afford to risk imitations in the face of croup or pneumonia. Gowan's is in a class by itself. There are no just as goods. Your money back if used as directed without results. Last Warning Before Advertising

Your attention is called to Section 2838, of the Revisal of 1905, which reads as follows: "The sale of real estate for taxes shall, unless otherwise expressly provided by law, be made at the court house door of the county between the hours of ten o'clock in the forenoon and four o'clock in the afternoon of the first Monday in May of each year." This makes it compulsory on me to advertise on the first of April, and in addition to this the Republican county authorities are pressing me to do so, for money, and hence it becomes my duty to enforce the law against my friends as well as foes. Take warning and govern yourselves accordingly. JAS. F. HARRIS, Tax Collector, March 22. Visiting cards beautifully printed at this office at 50 cents for 50, or 65 cents for 100. For sale—House and lot 80x200 feet, 7 rooms, bath, near business part of city. Two new 4-room cottages at Brown mill. Jno. K. Patterson.
