THE COTTON MARKET.

Opened Steady at an Advance of 1 to Decline of 2 Points.

New York, March 6 .- While Liverpool did not fully meet the local decline of Saturday, the cotton market here was rather nervous or unsettled during today's early trading. The opening was steady at an advance of 1 point to a decline of 2 points, and there was some buying here for Liverpool accounts, but prices soon eased off under scattering liquidations. Cotton futures opened steady. May
