"KEEP TO THE RIGHT."

Editor Wade Harris of The Charlotte Observer, recently took a ride with a farmer of Mecklenburg County, and he was struck with the fact that while "the farmer, who was driving a Ford, kept to the right of the road, the general run of travel, including trucks, kept to the middle, if not veer-"made the farmer remark that if all of pedestrians, travel on the highwould be not only facilitated, but be made fore safe.'

And there is just the rub, as The that he is supposed to keep to the right, and those who don't know this law have no business driving cars. But the knowledge doesn't make the driver obey the law. You can drive

around and go back.

is just a spirit of conceit, a spirit of men have ruined politics. The way show and mistaken belief that every- to get this changed is for everyone one will look on and applaud as the who wants cleanliness to go to the wild drives are made. Any man can polls and elect men who stand for get on the highways nowadays and such things. Published Mondays and Thursdays, make a fool of himself, and many do. The right to vote is an obligation a minority.

RED CROSS ACTIVITIES.

The annual Red Cross Roll Call will start in this county in the near future, and we hope people will respond to it this year as liberally as they have in the past. The organization is doing important work now, just as it did during the war. It is not a war organization by any means, but is an organization that serves always in the time of need, and its work during the past year commands it to everyone.
