Those that are not adopted will be cared for by the organizations backing the campaign, Mrs. Lewis added. MR. FRED WHITE SAYS, "DON'T IDLE BECAUSE YOU ONLY SEE ONE RAT." It is true that many contract severe colds and recover from them without taking any precaution or treatment, but a knowledge of this fact leads others to take their chances instead of giving their colds the needed attention. It should be borne in mind that every cold weakens the lungs, lowers the vitality, makes the system less able to withstand each succeeding attack and paves the way for the more serious diseases. Can you afford to take such desperate chances when Chamberlain's Cough Remedy, famous for its cures of bad colds, may be had for a trifle?—Advertisement. Mr. R. E.
