Churchland, Jan. 18.—The fast Kannapolis high school quintet defeated Churchland high school last night for the second time this season, the first time at Kannapolis last week. The game was fought closely until the last sound of the referee's whistle.

Churchland played fine ball all through the game, but was not able to stop the brilliant team work of the Kannapolis quintet. Green played excellent ball for the locals, but was unable to run his score ahead of the visitors with sard swearing on his heels.

The visitors displayed the same team work, which has helped them win six straight games from the strongest high school teams in the western section of the state. Mauldin getting the highest individual score with Smith and Montgomery coming close in the rear. Swearingin and Montgomery did excellent guard duty. The former would have had a better show-up but was excluded from the game on account of fouls. The latter played real ball all through the game.

The lineup follows: Churchland (8) Mauldin (5) R F Green (6) Johnson L F Leaville Smith (4) C Williams (2) Swearingin R G Leonard Montgomery (4) L F Rush

Substitutions: Davis for Johnson; Johnson for Swearingin; Ketchie for Johnson; Referee Leonard (Lexington).

KIWANIS MEETING

Proposal For Cabarrus Cottage at the Jackson Training School Discussed at the Meeting.

Erection of a cottage at the Jackson Training School for Cabarrus County boys was the chief matter discussed at the meeting on Friday evening of the Kiwanis Club of Concord. The club voted unanimously in favor of appointing a committee to confer with a similar committee from the Rotary Club, and to present this matter to the Board of County Commissioners at its next regular session.

It was pointed out by Will Foil, who brought this matter before the meeting, that Cabarrus County does not have a cottage at the Training School, and that there are a number of boys in this county who should be in the institution, but for whom there is not sufficient room. He had been informed by the speaker continued, that Stanley County would be willing to join with Cabarrus in the erection of a joint cottage for the two counties, if this could be arranged, and the matter is to be taken up at once with the proper authorities. Will Foil was appointed chairman of the committee, with Brevard Harris and Jacob Moore as the other two members.

The Hotel Committee, Albert Palmer, chairman, reported progress, and was continued.

Mr. W. A. Ridenhour, of King's Mountain, was a visitor at the meeting, the guest of his brother, Bob Ridenhour, Sr. Upon his introduction, Mr. Ridenhour made a short talk, expressing his pleasure at being "back home" again, declaring that Concord is still his "home," although he has been away from here for the past 27 years.

At a meeting of the Boys' Work Committee of the Young Men's Christian Association Thursday night plans were made to run a "Win My Chum Week" the last week in February.

The Legion team took the lead with a rush and piled up a big margin before the Y boys got started. The first half ended 20-13, with the Cornell team scoring ten points. Bell started guarding them and he got no more. Long led in the scoring for the locals with five field goals. Dick played the other forward, Wolf at center, Bell and Bost at guards, with Vestal substituting for Bost in the second half.

Salisbury High Girls Nose Out Local Highs in Hard Fought Game

The Salisbury high school girls, displaying a superior brand of basketball, nosed out the local high school girls Friday night by the score of 24-17. The visitors passed the ball and moved over the floor in clocklike regularity, and each time the ball was passed to Miss Strange, who dropped it in. Incidentally this Miss Strange is about the best girl forward seen on the local floor in some time. Possessing an ability to move all over the floor and lose her guard and an eye that seldom failed her when it came to shooting, she was responsible for 23 of the 24 points scored by her team.

The local team started off with a rush, Blanche Dick scoring the first three baskets. They played rings around their opponents during the first quarter, the quarter ending 9-4 in Concord's favor. The second quarter saw Salisbury open up and begin to pass the ball with the result that the half ended 13-11 in Salisbury's favor.

During the last quarter the locals made a wonderful attempt at a come-back, but whether it was inability to shoot or just hard luck, the ball just wouldn't go in when it should.

Miss Blanche Dick was the outstanding star of the Concord team, scoring 15 of the 18 points scored by her team. She played a good steady game the whole way through, and usually made good her chances at the basket.

Guarding honors go to Miss Yarborough, of Salisbury. She held her opponent scoreless and was good at getting the ball out from under her opponent's basket and working it down the floor to her teammates.

Summary: Concord Salisbury Dick (15) F Strange (23) Smoot (1) Webb (1) Broome C Feamster Hethcock G Yarborough Winecock Hunter

Substitutions—Litaker (2) for Smoot; Widenhouse for Winecock. Referee Wolfe
