Kannapolis, N. C., March 21.—Mrs. W. W. Wallace, of Lanette, Ala., arrived Friday morning to visit their daughter, Mrs. S. C. Simmons. Mrs. Homer Ritchie is able to be out after a week's illness. Miss Susie Myers, of Thomasville, a student at G. C. W., spent the week-end with Miss Lois Howie. Her sister, Mrs. Mason, of Kings Mountain, who had charge of the baby during Mrs. Lipe's illness, is spending some time at the home. Also, Mrs. Witherspoon, of Salisbury, was a guest yesterday of Mrs. Lipe. Kannapolis people are looking forward to April 8-10 as "Clean Up Week." A lady from each of the several churches will act as chairman. Also the Woman's Club and the Y. M. C. A. are cooperating in this important item of business which, we hope, will be the means of converting our town, including homes and business section, into an ideal place, clean, sanitary and attractive. The rubbish is to be placed in front of the homes, and the Cannon Manufacturing Company will have it hauled away. The little child of Mr. and Mrs. "Chick" DeMarens is very ill. Mrs. John H. Rutledge will be hostess to the Social Hour Club Thursday. About forty guests were present at the pretty party given Thursday afternoon by Mesdames R. T. Frye and W. J. Cline at the Cline house. Couplets of verse calling for various stunts caused much amusement, and clever sketches were given by some of the participants. An original contest in names and one in advertising kept the jolly crowd busy for some time. A delightful salad course, with accessories, was served by Mesdames Rankin, Smith, Frye, Cline and Miss

McQueen. Danity baskets of mints, suggestive of St. Patrick's Day, were given as favors. Lovely vases and bowls of spring flowers added much to the delightful occasion. Miss Chaney of Oak Street, accompanied by her father and Miss Pearl Hinson, went to Chotte Monday to undergo an operation for the removal of her tonsils. The party returned yesterday. Mrs. Thornburg returned yesterday after visiting relatives in Bessemer City. Martin, of Landis, died Wednesday, March 14th. Interment was made in Shiloh cemetery Thursday, the 15th. The mother of the child died February 17. The above will be of interest to a number of Kannapolis people as Mr. and Mrs. Martin formerly made their home in the Cabarrus section of the town. Miss Jennie Allen died on Wednesday, March 14th, at the home of her brother on Walnut Street. Interment was made in the Kannapolis cemetery. Miss Allen was aged sixty-eight, and had been in the city only five or six weeks. Mr. H. J. Wampler left Sunday for Paxton, Ill., where his beautiful home was destroyed Thursday by fire. Nostrand was sentenced to five years' imprisonment after being convicted of the theft of two automobiles. That was the story told in his behalf today before the state pardon board here. Nostrand, it was said, had been employed by a wealthy family of heavyweights as a chauffeur. Senator Fletcher of Florida has interested in his behalf, but no action has been taken in the matter. Nostrand claimed he was the victim of circumstances. Hyb-book collecting was the hobby of an English clergyman who died recently. Todd, of New York, will lecture here, having as his subject: "Business as a Vocation." He is said to be one of the foremost men of his profession in the United States. He is president of the well-known firm of Todd-Robinson-White Engineering corporation. He is an alumnus of Princeton university, having graduated with the class of '88, in company with Robert E. Speer, of whom Mr. Todd is an intimate friend. Mr. Todd usually spends his winters in Camden, and there it was that he became acquainted with Rev. J. C. Rowan, now pastor of Concord First Presbyterian church, who is a large alumnus of Davidson and who was instrumental in securing this lecture from Mr. Todd for the Davidson students. Says Mr. Rowan: "I do not know a man that can make a stronger appeal to young men, not excepting Robert E. Speer, his classmate." Detroit, Mich., March 20.—A new production record was established by the Ford Motor Company Monday when 5,779 cars and trucks were turned out. This is the highest number ever produced by the company in one day, and is sixty more than the high record of 5,694 established on August 29 last year. Much of the records are expected in April, which the production schedule calls for more than 6,000 cars and trucks a day to meet the ever-increasing demand for Ford products. Probably the world's record of this kind was that of Lady Temple, who as a man of the English nobility, who actually nursed her seven hundredth descendant before she died. The French people favor gray for luck.
