

It's a long trail

From the North Pole to the South Pole, but Royal Baking Powder went with Admiral Peary-Amundsen has it with him now. It went with Scott to the South Pole. Stanley had it in darkest Africa. Royal is the only baking powder you can buy anywhere under the sun.

ROYAL Baking Powder

Made from Cream of Tartar derived from grapes

Contains No Alum—Leaves No Bitter Taste

SCHOOL BONDS BEATEN IN MT. PLEASANT ELECTION

Three Hundred Persons Registered for the Election and But 127 Voted for the Bonds.

Citizens of Mt. Pleasant Tuesday defeated the special school bond tax, the bonds failing to get a majority of the registered voters. Three hundred people registered for the election and 127 votes were cast for the bonds, this leaving 173, or a majority, against the bonds.

According to reports reaching this city, quite a bit of interest was centered in the election. Last year a similar issue was placed before the people of Mt. Pleasant and as was the case this year, the bonds were beaten. Advocates of the bonds started their campaign this year several months ago, but opposition was noted at once, and from the day the election notice was first announced until Tuesday, an active campaign was waged both by voters and opponents of the bonds.

Early this month a municipal election was held in Mt. Pleasant, and that contest, according to Mt. Pleasant reports, soon developed into a contest between the advocates and opponents of the bond issue. It was generally believed that the side that won the municipal election would win the school bond election, and this prediction was fulfilled, it is said, as the city officials elected were generally regarded as opponents of the school bonds.

The bond issue would tax each \$100 worth of property as much as 40 cents for school improvements. The rate could not be higher than 40 cents. It was planned to use the money for bigger school buildings and more equipment, according to advocates of the bonds.

Davidson Deputation Team Makes a Fine Impression.

The Davidson College Deputation team, which came to Concord the first of the week under the auspices of the Hi-Y Club, created a very favorable impression on all its appearances. This deputation came out under the Davidson College Y. M. C. A. and was similar to those sent to other high schools in the State. The student Y. M. C. A. of State College, University of North Carolina and Davidson each year send out a number of deputation teams that go into the high schools of various cities and speak to the boys on high school problems, clean living, and other topics of interest to the boys. The members of these teams often spend in the Churches and before young people's societies.

Those composing the team that came to Concord Sunday afternoon were Leonard Dick, chairman, Messrs. Martin, Moore, Currie, Price, Smith and Grey, and the Davidson quartet composed of Messrs. McCain, Green, Shepard and Jones. All of these men are outstanding Christian leaders in the Davidson student body, and composed one of the strongest teams ever sent out by the Davidson Y. M. C. A.

Sunday afternoon Messrs. Grey and Smith spoke at the meeting of the city B. Y. P. U. at McGill Street Baptist Church. Sunday evening Messrs. Weeks, Moore, Smith and Grey spoke to the Christian Endeavors of the First Presbyterian Church, while Messrs. Price, Martin and Smith had charge of the program of the B. Y. P. U. of the First Baptist Church. At the evening service of the First Baptist Church Messrs. Price and Martin spoke on "Service."

Monday morning in the high school Messrs. Grey and Martin spoke again, followed on Tuesday morning in the school by Messrs. Dick and Jones. Monday night Mr. Currie spoke at the Mothers and Sons supper of the Hi-Y Club.

LUMBAGO.

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied, and a quick recovery may be expected. Mrs. F. J. Damm, Brookport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."—Advertisement.

Marriage license was issued Tuesday by Register of Deeds Elliott to Stacey Pate and Miss Maggie Boger, both of Kannapolis.

New Million Dollar Company Is To Promote Textile Plants in South

That the interests of the Cannon-Roberts Interests, Inc., will not be confined to North Carolina alone, but probably will be extended as far south and west as Texas, is indicated in reports from The Charlotte Observer and The New York News Record. The Cannon-Roberts Company was issued a charter Tuesday by the Secretary of State, the company being capitalized at \$1,000,000 with M. L. Cannon, of this city, E. W. Roberts, Jr., of Atlanta, and John M. Robinson, of Charlotte, the principal incorporators.

Mr. Cannon has been identified with cotton mills for a number of years, and has made a success of the Cabarrus Mills of this city and Kannapolis. Mr. Roberts is a cotton mill construction engineer of Atlanta, and Mr. Robinson a prominent attorney of Charlotte.

Mr. Cannon has been out of the city for several days and no statement could be secured from him or his associates here as to the plans for the company. The Charlotte Observer, published in the home city of one of the incorporators, says in part of the new company:

While it is indicated in the company's charter that the principal offices of the concern will be located in Kannapolis, it also is stated that as the powers of the concern are wide

and varied, some of the interests of the company will be in Texas as well as in North Carolina. The purposes of the incorporation, it is stated here, are not to build, at the present at any rate, any textile plants, but to promote the manufacture and sale of such plants and to establish branch offices.

Indication that the Cannon interests might take an active part in the textile business in Texas was given in the February 16 issue of the New York News Record, as follows:

"Dallas, Texas, Feb. 16.—It would not be accurate to say that we have already decided to locate large mills at any point in Texas," said M. L. Cannon, of Concord, N. C., who is making an extended examination of the situation in Texas with reference to the textile industry. "I will say, though, that Texas looks mighty good for all lines of the textile industry, and there is no reason why there should not be a major activity here in the manufacturing business."

"Mr. Cannon and L. W. Roberts, an Atlanta engineer in cotton mill construction, have been in this territory several days * * * and a number of conferences have been held by Mr. Cannon and Mr. Roberts with business men of this city and others in the north central part of the state where the big cotton crops are produced."

halted by the wet ground.

Dr. J. B. Spruill, who spent the past week here conducting a tuberculosis clinic, left Tuesday for Raleigh, having been called there to testify at the Sanatorium investigation. The clinic, which was to have continued through Saturday, had to be cancelled, and persons who had engagements to be examined will have to postpone their examination for the present.

LOCAL AND OTHERWISE.

One case of measles was the only case of new disease reported to the county health department Tuesday.

Messrs. Joe A. Walter and J. W. Collett are in Goldsboro this week attending the meeting of the Grand Lodge of Odd Fellows.

A new Studebaker bus is now in operation between this city and Charlotte, making tree round trips a day. The operators of the bus carry an ad, today giving the schedule for the bus both in Concord and Charlotte.

Thirteen new cases of measles, two new cases of whooping cough and two new cases of smallpox were reported to the county health department Monday afternoon and night. The smallpox patients live in Kannapolis.

Poppies will be sold here by members of the American Legion Auxiliary on May 20th. This day will be observed as memorial day by Legion and Auxiliary posts, and a committee has been appointed to look after the sale of the poppies here on that date.

The board of aldermen will meet Thursday night of this week to discuss street matters. Several petitions asking for paved streets were presented to the aldermen last week and they deferred action until the meeting this week.

Misses Lottie and Elma Boyd received a telegram Monday night from their brother, Mr. Leonard Boyd, of Bakerfield, Cal., stating that he lost his house and all household goods in a fire Monday. No particulars of the fire were given in the message.

Mrs. J. M. Allen, of Raleigh, spent the week end here at the home of Mr. R. E. Boyd. She went to Charlotte Monday to see the daughter of Mr. and Mrs. Boyd, who is undergoing treatment in a hospital there. She returned this morning to her home in Raleigh.

Mr. C. F. Ritchie left Wednesday for Montreal to attend the sessions of the General Assembly of the Presbyterian Church. Mr. Ritchie first hoped to be able to leave here Tuesday afternoon, but on account of business negotiations was unable to get away until this morning.

City Engineer Long is now checking up the streets of the city, to determine how many miles of streets have been paved and how much the cost has been. This data will be presented to the aldermen Thursday night when they will meet to discuss paving several other streets in the city.

One hundred and seven persons were examined during the tuberculosis clinic which ended Tuesday. Forty-one of the examinations showed positive or suspected cases of the disease. Nine of the persons found suffering with the disease have made application for treatment at Sanatorium, the State's tuberculosis hospital.

Mrs. Richmond Reed, librarian, asks that everyone who carried a book out of the library before the repair work was started and still has it out, return it this week. Beginning Monday, she states, she will start to collecting fines on these books. Persons who have returned books or who will return them this week will not be fined.

Trinity's baseball team lost its first college game in this State Tuesday when Davidson won a hard fought game 4 to 3 before several thousand persons in Gastonia. More opportune hitting won for the Presbyterians, who played good ball behind excellent pitching by Boushee. A number of Concord persons went over to Gastonia for the game.

A message from Charlotte this morning stated that the condition of Patrolman B. F. Widenhouse, who is undergoing treatment in the Charlotte Sanatorium, is slightly improved. During the past 36 hours Mr. Widenhouse has shown great improvement, and if he continues to improve he probably will return to his home here within the next week.

The aldermen are now securing data as to the number of miles of paved streets recently laid here, and with this data before them, together with the cost of the streets, they will take up the matter of paving the streets at the meeting to be held at the city hall tomorrow night. This meeting will be the second the new board has held.

Concord and practically every part of Cabarrus county, were visited by terrific rainstorms Tuesday. The first heavy rain fell during the afternoon and about 8:45 p. m. the heaviest downpour of the day occurred. Reports from various parts of the county indicate that the rain was general, and farm work has been temporarily

SENIOR CLASS EXERCISES.

Of Mont Amoena Seminary in Auditorium Saturday Evening, May 19.

DON'T ALWAYS BLAME HENS WHEN EGGS ARE SCARCE.

Rats may be getting them—U. S. Government Bulletins prove they know how to get them. Break a cake of RAT-SNAP into small pieces and place where rats travel. If there, RAT-SNAP will get them—positively. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Cline's Pharmacy and Ritchie Hardware Co.—Advertisement.

With Our Advertisers.

The Concord Music Studio is now open in the Dixie building, under Mr. Alan D. Prindell as teacher of voice, and Mary B. Flowers on the violin. Telephone 791.

Bell & Harris have many new bed room suites, splendidly designed—just added.

EVILS OF CONSTIPATION.

Perhaps the most serious of the diseases caused by constipation is appendicitis. If you would avoid this dangerous disease, keep your bowels regular. For this purpose Chamberlain's Tablets are excellent, easy to take and mild and gentle in effect.—Advertisement.

Governor's Inquiry to Begin Monday.

Raleigh, May 15.—Governor Cameron Morrison, who has assumed personal direction of the investigation of the North Carolina prison systems, today announced that during the afternoon he would call a meeting of the state prison board of directors in connection with the inquiry to be held here probably Monday.

The friends of Mrs. E. L. Barrier, who has been critically ill for some time at her home on Allison Street, will regret to learn that her condition remains unchanged.

Severe Indigestion

"I had very severe attacks of indigestion," writes Mr. M. H. Wade, a farmer, of R. F. D. 1, Weir, Miss. "I would suffer for months at a time. All I dared eat was a little bread and butter. . . . Consequently I suffered from weakness. I would try to eat, then the terrible suffering in my stomach! I took medicines, but did not get any better. The druggist recommended

Thedford's BLACK-DRAUGHT

and I decided to try it, for, as I say, I had tried others for two or more years without any improvement in my health. I soon found the Black-Draught was acting on my liver and easing the terrible pain. "In two or three weeks, I found I could go back to eating. I only weighed 123. Now I weigh 147—eat anything I want to, and by taking Black-Draught I do not suffer. "Have you tried Thedford's Black-Draught? If not, do so today. Over 8 million packages sold, a year. At dealers' E 65

WHOOPIING COUGH.

This is a very dangerous disease, particularly to children—under five years of age, but when no paregoric, codeine or other opiate is given is easily cured by giving Chamberlain's Cough Remedy. Most people believe that it must run its course, not knowing that the time is very much shortened, and that there is little danger from the disease when it is properly given. It has been used in many epidemics of whooping cough, with pronounced success. It is safe and pleasant to take.—Advertisement.

GARNER HILL, GLADSTONE SELLS RAT-SNAP.

"I sell and use RAT-SNAP to look any man in the face who has a rat problem. RAT-SNAP because it does not harm the cats, dogs, chickens, turkeys, or dogs won't touch it. They are in cages—no mixing with food. 25¢ a box, \$1.25 a box. Sold and guaranteed by Cline's Pharmacy, and Ritchie Hardware Co.—Advertisement.

BUY A BALDWIN—REDUCE ICE BILLS

Baldwin Refrigerators are made with patent flues, that insure a perfect circulation of cold dry air at all times. Orders will not mix in a Baldwin. Rubber around doors, makes refrigerator air tight, and saves about half your ice bills.
