Important Announcement to Farmers:

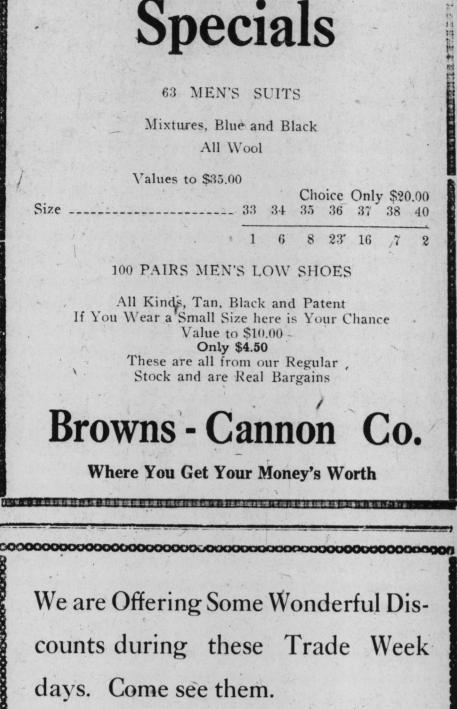

We have made a contract with the Catawba Creamery Co., of Hickory, N. C., to open a cream buying station for them here, and will open same in our store on West Depot street. The date set for the opening is Saturday, May 26th, at which time the Catawba Creamery Co, will have a representative present to start us off. They will allow us to pay you 39 cents per pound for butter fat. We make the test right before your very eyes, write you check immediately.

Why sell your butter fat for 20c to 25c a pound? Bring us your cream Saturday of this week and help us get started. We guarantee you fair tests, and this station should prove very profitable to the farmers of Cabarrus County.

Bring us your chickens, eggs and other farm products. We buy and sell more country produce than any other store in Concord and always pay highest prices that market will justify. We pay cash, but we sell goods Cheap. Come in and see us.
