Mrs. Luther Fisher, of No. 4 township, has entered a Stateville hospital. It is probable that she will submit to an operation after undergoing treatment in the hospital for several days.

Mr. P. H. Biggers, of Midland, entered the Concord Hospital for treatment Thursday. Mr. Biggers has been ill for the past 12 months, and his condition at times during that period has been critical.

Mr. Charles Whitley, of No. 2 township, has returned from a Charlotte hospital, where some time ago he underwent a very serious operation. The operation was a success, and Mr. Whitley's condition is greatly improved.

Marriage licenses were issued Friday by Register of Deeds Elliott to the following couples: Love Saffrit and Miss Mary Ella Troutman, both of Cabarrus; and Ben R. Matthews, of Raleigh, and Miss Blanche Caldwell, of Charlotte.

One new case of typhoid fever was reported to the county health department Friday, a department report states. The patient lives in No. 1 township, and according to all records in the department, has never taken the typhoid vaccine.

Albemarle News-Herald: The "U Drive It" Ford stolen from Dr. Dock Caudle last Sunday has been recovered by Mr. Caudle. The thief abandoned it on the streets of Concord. He doubtless "got wise" to the fact that "Dock" was on his trail.

Messrs. Carl Mills, Raymond Snyder, Milton Kirk, and Leonard Suther returned today from a camping trip in the Blue Ridge mountains. While there they visited Chimney Rock, Bat's Cave, Asheville and other points of interest in the "Land of the Sky."

Two of the Times carrier boys, Thomas Alexander and Eugene Broom are enjoying vacations this week. Thomas, with his brother Moultrie, is visiting in High Point, while Eugene Broom is with his father visiting in the western part of the State.

A cement sidewalk was laid on the west side of Church Street from a point near the Locke Mill to a point near Oakwood cemetery. The sidewalk was ordered laid by the city aldermen, and the work was done under the direction of John A. Walker, local contractor.

Fourteen defendants were docketed for trial in recorder's court Friday, but only eight were tried, the cases against the other six being continued. Six of the eight tried were found guilty and fined, the fines totaling \$85. The two defendants found not guilty were charged with an affray.

Brick masons today completed their work on the new high school building. The work has been underway for several weeks. It is expected now that the roof on the building will be completed by next Saturday, if the weather is favorable. The building will be completed by Thanksgiving, it is believed now.

The Studebaker car of Mr. M. L. Marsh was slightly damaged by fire Friday afternoon about 2 o'clock. The car was standing in front of the home of Mr. C. L. Smith when smoke was seen pouring from under the hood. The fire department was called, and the blaze was quickly extinguished.

Members of the county board of education and Prof. J. B. Robertson on Thursday decided definitely on the location of the new Hartsell Mill school. The plot for the building was staked off, and contractors expect to break ground for the new building next week. The building will be of brick, with all modern school building equipment.

R. D. Goodman, county farm agent, has returned from Raleigh, where he attended the conference for farmers and farm women. While in Raleigh Mr. Goodman watched a soy bean harvesting machine in operation, and he states that he is trying to get two for this county now. Mr. Goodman also paid a visit to Sampson county while away and watched a modern cotton duster in operation.

Probably the biggest crowd in the history of the town was present at Crescent Thursday for the annual picnic of the Nazareth Orphans' Home. People from all parts of the State were in attendance, Concord people present state, and the picnic proved one of the best ever held. More than 6,000 persons were present, it is stated, and the occasion proved one of pleasure for each of them.

A big picnic will be held on Friday, August 31st, at Rimer. The picnic will be for the Confederate veterans of the county, and in addition all veterans of the World War have been invited to be present. Several addresses will be made during the day, and the occasion promises to be one of unusual interest. The people of the Rimer community are planning the event, but the general public is invited to be present.

An interesting meeting of the Bethpage Community Club was held at the school house Friday night. A large crowd was present and a fine program was enjoyed. In addition to a number of songs and other features by members of the club, short talks were made by Miss Cathleen Wilson, home demonstration agent, and Mr. R. D. Goodman, county farm agent. The principal address was made by Prof. J. B. Robertson.

The first announcement of the death of President Harding to reach Concord came to a representative of the Tribune and the Times. He communicated with Mayor Womble, who ordered the city bell to be tolled. The tolling of the bell attracted the attention of many persons who then learned of the sudden death of the Chief Executive. The first message of Mr. Harding's death reached this city shortly before midnight through the Associated Press to The Tribune.

EIGHT KANNAPOLIS PERSONS HURT WHEN ACCIDENT OCCURRED

Were Hurt When a Truck They Were Riding on Was Alleged to Have Been Side-Swiped by Car.

FIVE SUFFERED VERY SEVERELY

Lewis Lefler Arrested by Sheriff Mabry and Lodged in the County Jail in This City Friday Night.

Five young people from Kannapolis are in the Concord Hospital as a result of wounds they are alleged to have received Friday night when a truck they were riding on was side-swiped by a car, said to have been driven by Lewis Lefler, a young man of this county. Three other young people of Kannapolis who were injured in the accident were returned to their home. The injured are: Miss Hattie Demarcus, broken ankle, Charles Turner, lacerated leg, Wiley Davis, broken leg, Miss Melzie Watts, broken knee and broken ankle, Miss Mollie Reel, badly bruised leg.

Lefler was arrested some time after the accident and lodged in the county jail. The arrest was made by Sheriff Mabry, who went to the home of the young man's father, Mr. A. F. Lefler, and made the arrest. No effort was made to give bond Friday night, as Sheriff Mabry told Lefler he would be held until the seriousness of the young people's wounds could be determined.

The accident occurred on the Concord-Mt. Pleasant road, Sheriff Mabry stated. The young people, members of a Baptist Young Peoples' Union of Kannapolis, were en route to Kindley's Mill to have a picnic supper. Lefler and a brother were headed towards Concord. The accident occurred near the new home of Mr. Hahn, about four miles from Concord.

It is alleged by persons in the truck that Lefler drove his car so close to the truck that eight persons sitting on the right side of the truck with their feet hanging over the side, were struck by his car. The 8 persons struck were so badly hurt that medical attention was necessary.

It is alleged that Lefler did not stop his car after the accident, and Sheriff Mabry declared that when he reached the Lefler home the father of the two boys had not been told of the accident. Sheriff Mabry also declared that the two boys told him the truck was partly on the wrong side of the road and for that reason their car side-swiped it.

The five persons in the hospital have very painful wounds, it was reported this morning. Several of the young people, it was stated, had portions of flesh torn from their legs in addition to suffering broken bones, and the combination of wounds proves very painful. One report received here stated that the nature of several of the wounds indicated that the iron support for the top of the Lefler car had struck the young people. This support, it was pointed out, extends several inches from the body of the car, and the wounds indicate that this support was about level with the body of the car when the accident occurred.

Sheriff Mabry stated that Lefler denied that he was driving recklessly, and claimed that he did not have enough space to pass the truck. It is probable, according to reports at the court house, that Lefler will be charged with speeding and assault with a deadly weapon, unless the wounds of the young people prove more serious. Under such conditions more serious charges will be preferred against him, it was pointed out.

POSTMASTER MILLER APPEARS ON "HONOR ROLL"

As a Distinction for Excellency in Sales of Treasury Savings Certificates. The name of Postmaster Jno. L. Miller will appear on the "Honor Roll" of postmasters of the Fifth Federal Reserve District to be sent to Washington, D. C., as a mark of distinction and merit for excellency in sales of Treasury Savings Certificates during the present year.

The quota of \$15,000, assigned the Concord office for twelve months, was reached and passed by this post office before July 1st, thus assuring a place of distinction among similar class offices of this state and district. This post office reported sales of these savings certificates to the amount of \$17,375 for the first half of the calendar year. When it is recalled that the limit of purchase for any one person during a single calendar year is \$5,000, the record made by the postmaster and associates is highly commendable.

Commenting on the attainment of this post office, the postmaster said: "Our co-operation with the program of the government savings system, which has for its purpose the encouragement of thrift and the protection of the savings of the individual of limited means, has been successful. The movement is not at all an effort to compete with banks or other legitimate financial institutions, but solely to encourage savings on the part of a greater number of people and to protect them from unsound investment schemes by offering a government security, in convenient denominations of \$25, \$100, and \$1,000, which guarantees safety of principal, yields a good rate of interest, is not subject to market fluctuations, and is readily convertible into cash at values increasing every month. The fact that the new 'baby bonds' have important tax exemption features, are insured, without costs, thus protecting the owner against loss or theft, makes them most attractive to many people. While our post office has already sold its quota for the year, I see no reason why we should not double our receipts before the close of 1923."

New Observation Cars on Trains Nos. 37 and 38. Pullman observation cars of the newest design, embodying many improved features, have just been placed in service on trains Nos. 37 and 38, the "New York and New Orleans Limited."

The new cars, which are of steel construction, 70 feet in length, are finished in the interior in beautiful Italian walnut. The cars have ten sections equipped with the new headboards, which extend almost entirely across the top of the seats, giving added privacy for occupants of the berths during daylight hours. The smoking and dressing rooms are much larger than the smoking and dressing rooms of the old observation cars; the observation platform is longer, permitting more room for passengers to view the scenery; the reading room on the observation end is elegantly furnished with upholstered chairs of new design; and the electric lighting and ventilation features of the cars have been improved to insure greater comfort.

We will Welcome Your Account. Cabarrus Savings BANK. The tenth annual meeting of the Winecoff Memorial Association will be held in Mt. Olivet Church on Tuesday, August 7th, beginning at 10 o'clock a. m. Following is the program: Morning: Opening Song: He Died For Me. Devotional Exercises—Rev. J. A. Baird.

Queer Feelings. "Some time ago, I was very irregular," writes Mrs. Cora Robie, of Pikeville, Ky. "I suffered a great deal, and knew I must do something for this condition. I suffered mostly with my back and a weakness in my limbs. I would have dreadful headaches. I had hot flashes and very queer feelings, and oh, how my head hurt! I read of

CARDUI The Woman's Tonic. and of others, who seemed to have the same troubles I had, being benefited, so I began to use it. I found it most beneficial. I took several bottles . . . and was made so much better I didn't have any more trouble of this kind. It regulated me." Cardui has been found very helpful in the correction of many cases of painful female disorders, such as Mrs. Robie mentions above. If you suffer as she did, take Cardui—a purely vegetable, medicinal tonic, in use for more than 40 years. It should help you. Sold Everywhere.

COUNTY MANUFACTURERS WILL EXHIBIT GOODS

At County Fair, Having Agreed to Take 100 Feet in the Fair Exhibit Building. Manufacturers of Cabarrus County will have their products on display in an attractive manner at the Cabarrus County Fair as a result of a meeting of the manufacturers Thursday night at which time they agreed to take 100 feet in the exhibit building of the fair.

The meeting of the manufacturers was held in the Merchants and Manufacturers Club and was attended by a number of the most prominent manufacturers in the county. Officials of the fair were present, and after outlining the proposition to the manufacturers, they asked that they support the fair by taking space in the exhibit building.

The manufacturers showed a keen interest in the fair by accepting the proposition at once, and before leaving the meeting they agreed to take 100 feet. The exhibit to be offered by the manufacturers will be a very attractive and complete one, it was stated by one of them. Much of the fine cotton goods that are manufactured in this county will be placed in the exhibit, and in addition to the textile display, there will be other products of other manufacturing plants of the county.

Officials of the fair were frank and enthusiastic in their praise of the manufacturers. The action of the business men will probably serve as an incentive to other men to give the fair greater support and the meeting Thursday night is expected to lead to others of similar action similar to that taken Thursday night probably will be taken.

ALDERMEN HELD SHORT SESSION ON THURSDAY. No Business of Unusual Importance Was Presented to the Board. The aldermanic board of Concord held a short session at the city hall Thursday night. All of the aldermen were present, and the session was devoted to a report on the city hospital, where present on a Board of Health. The board was in session only a few minutes, and no business of unusual importance was presented.

The city treasurer was directed to the expenses of the city fire department. The assignments for the paved sidewalks on Chestnut street, approved by the board, were on Booker street to accommodate a new school building for colored children by the board, will not become effective until next May, it was stated at the meeting.

The city engineer was authorized to confer with officials of the North Power Company relative to assessing for taxes against that company.
