A Host of Adorable New Ideas In Millinery

So colorful and lovely they are—proclaiming the Mode for Fall, that one just cannot help but enthuse—every incoming shipment brings new and more delightful surprises.

Their soft, flattering lines—their surprising unexpectedness of adornment—their lovely new Autumnal tones that rival the glories of the woodland, all conspire to hold one so completely enthralled that one hardly knows how to decide what chapeau is loveliest of all.

Words paint a poor picture of this Pre-Autumn Millinery—one must surely see them to fully appreciate.

And they are priced modestly too.

We could build a Wall around Wall Street— Put these hats in the center and every banker and broker would turn out head first a winner.

That's how thorough we have cornered the hat market. We don't take our hat off to any other display the State affords—and men who have been here are vouching for this statement.

You can't wear your old straw any longer—and your Spring felt ought to be pensioned to the Attic.
