Charlotte is Selected as a Co-op Clashing Station. Raleigh, Sept. 27.—Recognizing the importance of Charlotte as a logical distributing point for North and South Carolina, particularly in the cotton industry, General Manager E. B. Blacklock spent several days in Charlotte this week, together with Fred T. Hass, assistant head of the office, to be known as the "B" of the North Carolina Cotton Growers Co-operative Association. Mr. Hass will direct control of the office and with the assistance of other officers and the necessary staff of clerks will not only control the classification of all cotton concentrated at Charlotte, but the classing department "B" will very likely include all the warehouses in that section of North Carolina.

Frequent Headaches Thedford's BLACK-DRAUGHT and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition. Thedford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Biliousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught. Sold everywhere.

Miller & Rhoads advertisement text: SKETCHED above is a picture of Miller & Rhoads' new addition to the Store, now fast nearing completion in Richmond. Workmen are rapidly putting on the finishing touches, and when it is complete—the South's greatest shopping place will be greater and more splendid than ever.

Our new home soon to be opened— A Shopper's Paradise! The building is surpassing even our own expectations. As a place to shop in comfort, it promises you a genuine thrill of pleasure. Every department in the store will have more room and bigger stocks. There will be new departments, and among them will be one of especial interest to men—a department of Men's Clothing.

There will be everything for your convenience and comfort—rest rooms, where you can stop a moment to refresh yourself; a tea room for delicious food, café and lounge; a place to check parcels, and a place to write letters; a central information bureau where you can buy postage stamps, send telegrams, ask about trains, and interesting places in Richmond to visit, and get almost any other information you may want.

It will be a place for you to stop when you are in Richmond; a place to make your headquarters, rest and refresh yourself and meet your friends, and a place to shop for the best values in nearly everything you need. The patronage of our friends, not only in Richmond, but throughout the Virginias and Carolinas, has made this splendid new addition possible. Whether you come to visit or to shop, there is always a welcome for you.

Pause a moment in your shopping and refresh yourself in one of the comfortable new rest rooms. Seat yourself at a convenient writing desk and write that long overdue letter, or just rest in a big lounge arm chair. The Embroidery Department is a treasure-house of exquisite hand-made fancy work. Old and unusual pieces that can't be duplicated. You can get the materials here to work yourself, if you prefer. If you don't know how, join our art needlework class.

Our new home soon to be opened— A Shopper's Paradise!

A big section on the main floor of the new building will be given over to dress goods and silks with the largest and most brilliant array of materials and patterns we have ever had.

We are planning a wonderful display of women's apparel in the new store. The entire second floor will be devoted to women and children and their clothing needs.
