rain insurance as a result of the rain Friday afternoon. The policy held by he association stated that at least two enths of an inch of rain had to fall be fore any insurance would be paid and it was announced by officials of the fair that this amount of rain fell Friday. In fact there was one-hundredth of an inch\* in ad-

age around the fences.

dition to the required two-tenths. All of the exhibits at the grounds were judged Thursday night. The report of the judges has been submitted and will his record holder was Auto Pace, who, be published in full later. Other reports probably will be submitted early this week, and the winners in all will be published as the lists are submitted. In addition to the winners in the poultry exhibits, the names of persons making en tries will be announced. This will be done because in many instances no prizes had been provided for certain entries, but the winners in the classes were given blue ribbons by the judges who took such action with the view to increasing inter-

est in the contests so that more birds will be entered in the fair next year. The following address by Major Foil on the opening day gives some interest-

ing facts in regard to the fair: There are two occasions, my friends, upon which my eyes grow moist and my voice grows husky. One is standing at the bier of a friend; the other when I am overly rejoiced. Today, my friends, I am overly rejoiced. I realize that the good people of Cabarrus county, by their presence here today have spoken and said to the officials of the Cabarrus County Fair Association, we appreciate your Some may say what do the fair officials know about agriculture?
