COLORED PEOPLES' FAIR STARTS HERE TOMORROW

Exhibits, Shows, Free Acts and Races Will Be Offered Each Day at Fair. Will Be Offered Each Day at Fair, The Colored People's Fair will begin tomorrow at the grounds of the Cabarrus County Fair Association, and final plans for the event indicate that the fair will be an interesting and successful one if favorable weather takes the place of the rain of the past two days.

They are Said Now to Favor

The fair will open tomorrow with a big street parade, those taking part in the parade to march to the fair grounds.

Officials of the fair will officially open the event after the paraders reach the fair grounds. fair grounds.

The fair will continue through Friday night, thus affording the colored people four days of instruction and entertain-FRANCE IS ALONE . ment. The exhibits, judging from reports, will be unusually, fine for a color-fed people's fair and will show just what he colored farmers of the county are dong. The exhibits will be instructive and

Than Be Isolated on the the fair. The biggest feature of this description will be the races, the first of which will be held tomorrow afternoon at- 2 o'clock when a free for all will be staged. Twelve horses are at the grounds aday indicated that Great already and it is very probable that other ers will be entered during the week. The horses are very good ones, and officials of the Cabarrus Fair declare the races will be interesting each day. The races will begin at 2 o'clock each day.

The company which is to provide the amusement on the midway arrived in This Concord Sunday and today is erecting its tents. A number of shows are carried and in addition there are a number of rides, which appeal especially to chil-

The exhibit halls will be opened toinquiry, rather than risk (morrow, as most of the exhibits have already been placed. All shows will be in and Italy had followed the French full operation tomorrow, also, and if the weather permit, the first of the races will be staged on schedule time.

Officers of the Colored Fair Association will be in charge of the fair, but everything will be under the general supervision of the officers of the Cabarrus County Fair. All stands on the grounds 5 (By the Associated will be operated by colored people, but white ticket sellers and ticket receivers aditions unacceptable to France in have been engaged to help. Cars will be parked in the grounds as was done to pap, and the during the county fair, and everything possible will be done to keep order on
