THE CONCORD TIMES

The most interesting place in Richmond

Khoads

After all, it is the most interesting place in Richmond. Floor after floor of beautiful things, gathered together from almost every corner of the world, and conveniently arranged for your inspection. There is something to rest and delight the eye on every side, a refreshing spectacle for the sightweary tourist, and prices that please the shopper.

Miller & Rhoads is a splendid place to buy what you need for yourself or home. Almost from the moment you step into the store you find yourself surrounded with irresistible values. In addition to regular stocks sold at unusually moderate prices, daily sales events offer opportunities for substantial savings.

Buying in large quantities enables us to sell to you at low prices. You will never regret a purchase made at Miller & Rhoads. Whatever you buy, you will find the price fair and the merchandise exactly as represented. This policy has won for Miller & Rhoads the enviable reputation of setting the standard of values.

You can shop at Miller & Rhoads in perfect comfort. The aisles are wide and roomy-no jostling or crowding, no "bargain counter jams." Every corner of this big attractive store is well lighted and ventilated.

You can spend a whole shopping day profitably at Miller & Rhoads. Each department has frequent offerings of unusually good values. Visit as many departments as you can. You may find unexpected values in something you need.

silverware department holds many a delightful sight for the woman who entertains. Nothing contributes so much to the brilliance of a dinner party as the silver itself. This depariment is a happy place to buy gifts, too.

Every sort of floor cover. ing is found in our carpet and rug department-from practical linoleums and grass rugs to the finest, softest and most exquisitely-colored Oriental rugs. These latter were pur-chased for us in the Orient and, because they were bought in large quantities, are very reasonable in price.

Our jewelry department is like a shop in some Oriental city-exotic in the brilliance of its displays and the exquisite designing of individual pieces. Necklaces, bracelets, leather goods are gathered from many out-of-the-way places of the world. It is one of the most fascinating departments in the store.

When you come to Richmond, by all means visit Miller & Rhoads Store. Shop if you like, or just "look around." You are welcome to check your parcels and traveling bags and refresh yourself in a comfortable rest room. There is no charge for these personal services. Whether you come to buy or just visit, you will find a friendly spirit and a willingness to serve among our salespeople. Our store faces Broad and Grace Streets, between 5th and 6th Streets. It can be reached by street car, from either railroad station, in a few minutes.

The State Capitol, de-signed by Thomas Jeffer-son, is said to be a perfect example of Greek architecture. It is one of the inter-esting sights of Richmond -five minutes' walk from Miller & Rhoads Store.
