Bible Thought For The Day

THE WAY OF ESCAPE:—It shall come to pass in the day that the Lord shall give thee rest from thy sorrow, and from thy fear, and from thy hard bondage, wherein thou wast made to serve.—Isaiah 14:3.

SHALL HE BE OUTLAWED?

While Republican leaders in the United States have been trying to "place" former Senator Kellogg as an Ambassador, other things of greater interest to the United States and the world have been taking place.

That Ambassador is Myron T. Herrick, Ambassador to France, a man who stands head and shoulders above any other diplomatic officer appointed by the late President Harding.

Speaking at Navarin Farm in France on Sunday, Ambassador Herrick expressed the belief that we had put our hand to the plow and would run the furrow through.

The situation in Europe at this minute concerns America as profoundly, though far less tragically than the affairs of 1914 to 1917.

"If we were to stand aloof from what we call this 'European mess' when it is apparent the balance can not be recovered without our help, then why did we come into the war in 1917? Were we mistaken then? Were the government and the people wrong in the almost unanimous decision to act I answer no.

The same forces that impelled us to enter the war are now calling us to aid the world in recovering its balance, he exclaimed. "Can it be accomplished without us?" he asked, and gave the answer, forcefully and eloquently: "The logic of events is stronger than any man's wishes and the vital concerns of a country take precedence over the personal preference of either its statesmen or its individual citizens.

COTTON-MILLS CURTAILING.

The price of cotton continues to go up and the general public continues to buy goods manufactured in the cotton mills, but the cotton mills are unable to sell their goods.

Several cotton mills in Cabarrus County are working on a curtailed schedule now, and others are expected to follow suit in the near future.

This is the opinion of the American Wool and Cotton Reporter concerning conditions in the Northern Mills. It goes on to say that it may be that some of the cotton mills which closed down recently have put a few of their machines into operation again.

The Gazette declares "cotton manufacturers generally find themselves in a very difficult position today, because of high costs and cotton uncertainty, and the continued lack of any considerable demand for many of their products.

You can walk into most any retail business house in Concord or any other city in this section of the State and find people buying goods that are manufactured in the cotton mills of this section.

WILLIAM D. HARRY.

Cabarrus County lost one of her most valuable citizens in the death of William D. Harry, who died Monday of apoplexy at his home, "The Morehead Place."

Strikers Outrage Dead. London, Nov. 4.—The bitterness of the hatred in the Cork, Ireland, undertakers' strike does not even respect the dead.

THE PENDULUM CONTINUES FORWARD SWING.

The political pendulum, which reached its highest mark on its backward swing in 1920 when a great Republican majority was hung up in many States, continues its forward swing now with easy and consistent strides.

Democrats were elected in all three States where there were gubernatorial elections—Kentucky, Maryland and Mississippi. Vermont, where only a senatorial contest was held, returned a republican, Porter H. Dale, who defeated Park H. Pollard, cousin of President Coolidge.

Democratic opponent for the place made vacant by J. Viney Ganley in the 24th New York district. Party alignment was unchanged in other congressional sections.

The victory of the Democrats in Kentucky, where Representative Wm. J. Fields defeated Charles I. Dawson, recorded a swing of the pendulum which at the last election swept over Edwin P. Morrow, Republican, into office. Mr. Fields' majority was decisive and he will have a Democratic legislature to support him.

Governor Ritchie, re-elected in Maryland over Alexander Armstrong, Republican, had an increased majority over his first election. H. L. Whitfield, Democrat, had no opposition in Mississippi. In New York state the Republicans retained control of the General Assembly, but the Democratic judiciary ticket in Manhattan and the Bronx was swept into office, over Republican and Independent tickets by Wm. R. Hearst.

American party candidates who waged a fight in Utah under the slogan "separation of church and state," were beaten. Mayor Rolph, Republican, of San Francisco, apparently was re-elected.

Results of the senatorial and congressional elections will have two houses of Congress with this lineup: House, Republicans 225, Democrats 205, Socialist 1, Independent 1, Farm Labor 1, vacancies, 2; Republican majority 18. The Senate Republican majority will remain at six.

FRANCE ISOLATED.

The tremendous part the United States can play in world affairs if given a chance by the party in power, is shown in the trend of events since it became apparent that America will be officially behind the commission of experts which will investigate to determine what Germany is able to pay.

The campaign of the French in the Ruhr was generally regarded as a French victory, but what did it bring France? The Germans were forced to abandon the passive resistance policy, and yet the Ruhr invasion did not bring a solution to the reparations problem.

URGES FULL CO-OPERATION OF ALL EX-SERVICE MEN

Washington, N. C., Nov. 7.—Urging the fullest co-operation of ex-service men in the annual roll call of the American Red Cross and recounting some of the things which the organization has done for ex-service men and their families in North Carolina during the past year, Wiley C. Rodman, state commander of the American Legion to-day issued a statement calling to the attention of ex-service men the date set for the roll call, November 11-29. A letter mailed by the State Adjutant, Robert E. Denny, to each post in the state also was made public with the commander's statement.

"The North Carolina Department of the American Legion," said he, "has today sent out a letter to each post in the state requesting that the attention of ex-service men be directed to the roll call 'over the top.'"

"Reports of the year's work among the ex-service men in the state show that in the twelve months' period ending July 1, 1923 the American Red Cross has given assistance to over 5,652 ex-service men and their families. In adjusting compensation claims, furnishing transportation to points where they may attend to their claims, and in seeing that their families do not want for the necessities of life while the government claims are being adjusted, the organization has rendered invaluable assistance."

The letter to the Posts of the state advised the members that the assistance of the American Legion in the state had been pledged by the state commander to the Southern headquarters of the American Red Cross in the Roll Call work.

A report of the work done by the Red Cross in aiding ex-service men was included with the letter.

LETTER FROM PATRONS OF THE WINECOFF HIGH SCHOOL.

"Winecoff High School." Concord, N. C., Nov. 8, 1923. Messrs. J. B. Sherrill, Editor Concord Daily Tribune, Concord, N. C. G. Ed. Kestler, Editor Concord Observer and Kannapolis Star Gentlemen:

As patrons of your papers we request you to publish the letter attached, written by our committee. The letter explains itself. We think you owe us this courtesy in order to explain our position in a dilemma into which we have no choosing.

Through your medium is the only way we have of explaining our position. Thank you. G. R. Winecoff, B. H. Stroud, L. T. Harrier, H. E. C. Winecoff, B. L. Umberger, John W. Cook, Mrs. J. A. Stroud, W. A. Cline, Mrs. W. A. Rimer, S. W. Cook, Mrs. W. N. Barnhardt, Mrs. Katie Winecoff, Mrs. A. W. Cline, W. M. Patterson, Mrs. A. W. Winecoff, Mrs. B. L. Umberger, Mrs. Parks Cline, W. A. Rimer, Parks Cline, Mrs. S. W. Cook, Mrs. W. G. Graham, Mrs. O. T. Umberger, Chas. W. Winecoff. PATRONS OF WINECOFF.

Why Winecoff Community Cannot Afford to Support the County-wide Election. Get it out of your head that we object to the tax. We are accustomed to that. We have the habit, having voted a special tax 12 or 15 years ago. We know of no tax that has been collected in the county that has brought better results. We were, however, privileged to spend it as we choose.

Everyone expected this school to draw high school students at least from all the territory from the city limits of Concord and Kannapolis, the present location is just half way and at a cross road. These people are ours not only by adoption and convenience, but they are old patrons and neighbors.

You ask what has all this to do with the election on the 20th? We hope it will not take you as long to realize the truth as it did us. Most of all of us registered with no other intention than to vote for the proposition advertised, that this was our chance to speed up our plans. This was agreeable to us even though at least one-third of the Winecoff and No. 4 Township money would go to other districts.

Mr. Robertson's position reminds us of the morning breakfast at a certain home: Husband remarked, "I have a very bad head this morning." Wife remarked, "I am sorry, dear, I hope you will be able to shake it off."

We regret this fight is forced upon us. The election if lost will set us to thinking and lead up to a mutually satisfactory plan of schools. Respectfully submitted, C. J. GOODMAN, W. L. UMBERGER, B. N. BARNHARDT, School Committee.
