

ELECTIONS TUESDAY SHOW DEMOCRATS GAINING IN FAVOR

In All Three of States Where a General Election Was Held the Democratic Candidates Won With Ease

ONLY ONE UPSET FROM ELECTIONS

Republican Elected in 24th New York District—Kentucky Elects Democratic Legislature.

Democrats were elected yesterday in all three states where there were gubernatorial elections—Kentucky, Maryland and Mississippi. Vermont, where only a senatorial contest was held, returned a republican, Porter H. Dale, who defeated Park H. Pollard, cousin of President Coolidge.

The victory of the democrats in Kentucky, where Representative Wm. J. Field defeated Charles I. Dawson, elected at a swing of the pendulum which at the last election swept Governor Edwin P. Morrow, republican, into office.

Governor Ritchie, re-elected in Maryland over Alexander Armstrong, republican, had an increased majority over his first election. H. L. Whitfield, democrat, had no opposition in Mississippi.

The democratic ticket in Manhattan and the Bronx was swept into office, overwhelming republican and independent tickets by Wm. R. Hearst. The soldiers' bonus apparently was carried, and hydro-electric project beaten.

In Illinois Miss Mary M. Bartelme, the first woman to be elevated to a circuit court judgeship, was elected in Cook county. She is a republican and led her ticket.

Results of the senatorial and congressional elections will leave two houses of congress with this lineup: House, republican 225, democrats 205, socialist 1, independent 1. Farm labor 1, vacancies 2; republican majority 18. The Senate republican majority will remain at 6.

LUTHERANS OF STATE NOW IN SESSION AT CHARLOTTE

Brotherhood Organized—Dr. Morgan Preached Opening Sermon. Attended by about 200 delegates and pastors from all over the state and by visitors from outside the state the 120th annual convention of the Lutheran Synod of North Carolina opened its session Tuesday night at St. Mark's Church in Charlotte.

Preliminary to the synod convention was the organization during the afternoon of 150 Lutheran laymen from churches throughout the state into a 'Lutheran Brotherhood'.

Mr. Capps urged the laymen to make the establishment of home missions the goal of the organization. Mr. Rhyne requested them to return home and organize brotherhoods in their churches, saying that 20 have already been organized and are doing fine work.

The church was crowded to hear Dr. Morgan preach. He used as his text the words of Caleb to the Hebrew children: 'Let us go up at once and possess it, for we are well able to overcome it.'

Now, as a matter of fact, he said, the world and all its creatures were made by God in order that man might enjoy it, and realize the goodness of God, whom they should love, serve and own.

In answer to the question: 'How is the church to possess the earth?' the same is to be done through the continued preaching of the Eternal Word of God, and not only this but those who preach, as well as those who hear must have a true conception of God, and must know him in a peculiar way, for one who must know God before he can bring others.

Dr. Morgan said a second quality to possess the land is courage, which the Children of Israel did not have. A third quality for possession is that of knowing the field, therefore, every sermon and program given should be for the purpose of informing all concerning the nature of the field.
