AFTER SUCCESSFUL RUN

Everything About Fair Moved Smoothly During Week and Officials Are Well Pleased.

The Cabarrus County Colored Fair came to an end Friday night, and officials declare it was a wonderful success in every way. We had good crowds, fine weather af

ter the opening day, good exhibits, perfect behavior and excellent races, and official stated this morning. The crowds at the grounds Thursday

afternoon and night and again* Friday were unusually large, showing that interest in the fair was increasing daily. Fire works were offered Friday night in addition to the regular shows and free acts, and they attracted many persons. .

Everything about the fair moved smoothly during the week and the association probably made a small amoun of money above expenses. The grounds were secured without cost from the Cachosen at a meeting of the Sally League barrus County Fair Association and as there was little expense attached to the project its backers are certain to come out all right financially.

The behavior of the crowds was unusually goods There were no disorders of any kind and nothing occurred to mar the pleasure of anyone present.

The success of the fair this year means that in all probability it will be repeated
