The operation was reported as successful and the child is said to be resting as comfortably as could be expected.

Stockholders of the Citizens Bank and Trust Company will hold their annual meeting in the offices of the bank on January 14th. The meeting will begin at 10 o'clock in the morning, and the call for the meeting has been issued by A. F. Goodman, cashier of the bank. Twelve cases were on docket for trial in recorder's court Friday morning. In five of the cases assaults of various kinds were charged, while intoxication was charged in several cases and violations of traffic laws were charged in the remainder.

The county schools, which have been closed for a week for Christmas, resumed work this morning. The county schools close only one week for Christmas, as they have a shorter schedule than the city schools, which close two weeks each year. Miss Margaret Miller left Thursday to spend the week-end in Mooresville as the guest of Miss Estelle Hawthorne. Miss Hawthorne will entertain this afternoon in honor of Miss Miller and Miss Ruschy, of Allentown, Pa., who is also the guest of Miss Hawthorne.

Mr. George W. Lee cotton census taker for this county, announced this morning that prior to December 13th this year 11,819 bales of cotton had been ginned in this county. To the same period last year 10,948 bales were ginned in this county. Mr. Lee's report showed. Window panes are being placed in the new Cabarrus Savings Bank building today, the panes being placed first in the windows on the south side of the building. Weather for construction work has been very favorable so far this winter and fine progress is being made with all departments of the building.

High winds, almost reaching the proportions of gales at times, swept through this city Thursday night. In the downtown section awnings in front of several store buildings were torn by the winds, and other damage was reported in various parts of the city. The damage was small in each instance, however. The Y basketball team has scheduled another game with the Kannapolis team, the game to be played here on Monday night, December 31st. The last game resulted in a one-side victory for the Kannapolis team, one of the best in the State, but Concord expects to win Monday night.

Police officers started Saturday morning that they seized 12 pints of liquor at a home on McGill street late Friday afternoon. In addition to the liquor two empty half-gallon jars and five empty pint bottles and a funnel were found. The alleged owner of the liquor was arrested and placed in jail, the officers stated. Workmen are engaged now in completing the interior of the new Baptist Church. Some of the electrical fixtures have been installed in the building and the workmen are able to work by electric light now after it gets too dark to see by sunlight. Work on the handsome structure is being rushed with all practical speed.

Six defendants paid 118 in fines and costs in recorder's court Friday. The cases against two other defendants were continued and in another case probable cause was found against two defendants charged with larceny and store breaking. The largest fine was \$50 paid by a man charged with operating a car while intoxicated. Sheriff R. V. Caldwell, Jr., served a sumptuous dinner to the inmates of the county jail on Christmas Day, Turkey, dressing, fruits and other delicacies were served in abundance to the prisoners, and in addition the Kings Daughters sent a bag of candy and fruits to each prisoner in the jail. The dinner served by Sheriff Caldwell is said to have been one of the best ever given to prisoners in this county.

A number of the textile plans of the county, which have been closed this week for Christmas, will resume operations on Monday. It is reported here today that all of the mills will not resume work Monday, as some of them will wait until after New Year to start work. It is also reported that several of the mills which will start up Monday will be on a curtailed schedule.

Messrs Leonard Suther and James Ridenhour, of this city, attended a supper given Thursday evening by Mr. and Mrs. J. T. Bost, at their home in No. 4 township, in honor of their daughter, Miss Ella Bost and Miss Grace Ridenhour. A number of friends attended the supper, which proved an event of interest and pleasure for those present. A report was circulated on the streets here shortly after noon Saturday that officers of the city had seized a carload of whiskey. The report proved to be without foundation as police officers declared they had made no such seizure. The officers, it was pointed out, got in a man's car and drove off with him and it seems that this action started the report. Inactive Liver.

"I have had trouble with an inactive liver," wrote Mrs. S. Nichols, of 4412 Spencer St., Houston, Texas. "When I would get constipated, I would feel a light, dizzy feeling in my head. To get up in the morning with a lightness in the head and a tremble feeling is often a sign that the stomach is out of order. For this I took Thedford's Black-Draught, and without a doubt can say I have never found its equal in any liver medicine. It not only cleans the liver, but leaves you in such a good condition. I have used it a long time, when food does not seem to set well, or the stomach is a little sour."
