Weak Back. Mrs. Mildred Pipkin, of R. F. D. 8, Columbia, Tenn., says: "My experience with Cardui has covered a number of years. Nineteen years ago I got down with weak back. I was run down and so weak and nervous I had to stay in bed. I read of CARDUI

The Woman's Tonic and sent for it. I took only one bottle at that time, and it helped me; seemed to strengthen and build me right up. So that is how I first knew of Cardui. After that, . . . when I began to get weak and 'no account', I sent right for Cardui, and it never failed to help me."
