McLean Heard By Large Crowd In Address Here

Campaign.

IS FULLY DENIED

Bank Failures Are Not Due to the Democrats But to Republicans, the Speaker Declared.

Speaking here last night before one of -Police Are Patrolling the gathered in this city in a number for years, A. W. McLean, Democratic can entire period of 20 years preceding. didate for governor, pledged his support to sane doctrines of State government Chicago, Oct. 9.—William Bell, 33-dear-old negro, was beaten to death in ponent, Colonel I. M. Meekins, that the he Jewish quarter here last night by corporation commission had been ineffi- Dawes cient and negligent.

Mr. McLean was introduced oy John M. Oglesby, member of the Concord bar. Police reserves seized twenty persons Major W. A. Foil, chairman of the Demin dispersing the crowd, but realeased all ocratic executive committee, presided. A except Otto Epstein, a sacramental wine large number of women were in the aulealer, whom they accused of having dience that packed the court house and overflowed in windows and aisles. Mr. stein denied the accusation, asserting that McLean spoke at noon before the local

Mr. McLean said that he had entertained the very ardent hope that the Several hundred policemen patrolled Republican candidate for governor would see the error he was making in repeating his attack on the State banks and deshough it was said race feeling was run- sist, but that this hope had vanished as he read the report of the Gastonia speech yesterday morning, in which the Republican candidate, following up his attack, said:

"There are 520 State banks in North to be shut up. They are being managed by men whom God Almighty never particularly in the wheat and cattle pro-intended to be bankers."

"If that is the leadership that the Republican party offers the State," Mr. Mc-Lean said, "may the good Lord deliver us. So we have at last the only definite proposal of the Republican candidae if he is elected governor is to close up 225 State banks, without regard to their condition or the need for such banks in lowing the World War, and the subsethe communities in which they operate."

Mr. McLean then described the intimate relationship which exists between many of the small State banks in the
