Highway Board of County Gave Consideration to Matter at Meeting Yesterday, and Much Interest Shown.

MORRISON LAND TO BE WORKED

Land He Claims Was Damaged to Be Put In Good Shape and Road Will Be Built to Tenant House.

The matter of locating the roadway which enters the Old Charlotte Highway at J. Pink Morrison's farm received most serious and most lengthy consideration at the meeting of the Cabarrus County Highway Commission held Wednesday afternoon at the County Building in this city. Settlement was made of the whole mat er when a motion introduced by George

. Kluttz passed the commission, providing for the roadway to remain as it was at present and to prepare the land which Mr. Morrison claimed was injured so as o permit cultivation, and further, to construct a private roadway for one of Mr. Morrison's tenants who had been cut off from the road.

This is thought to have brought to a and best fairs in the State" and they will charges of highway robbery. Charges Brought Against S. J. Turner, Republican From Mitchell County, Do Not Interest the House.

FACTIONAL FIGHT LED TO CHARGES

That Is House View, and for That Reason It Is Decided That Lgislature Has Nothing To Do With It.

Raleigh, N. C., Feb. 5 .- The House tolay dropped the pending investigation of charges against S. J. Turner, republican, of Mitchell County, on the ground that the charges were the result of a local factional fight in which the House had no interest and could not act.

Turner's right to a seat in the House had been challenged by certain citizens of Mitchell County on charges based on a certain illegal action 25 years ago. The resolution to investigate the matter was called back to the chamber today, reconsidered and then tabled.

Bills Introduced During the Day.

Raleigh, N. C., Feb. 5 (By the Associated Press).—Senator Johnson, of Robeson, introduced two bills in the upper branch of the General Assembly today Acknowledging receipt of your second designed to strengthen the banking laws letter, if you will consult my letter of of North Carolina along lines approved served answer until such ttime as you State Bankers Association. After a surplus or a deficit in the treasury, and the bill to repeal the prisoners compensaof paying prisoners from 5 cents to 15 cents a day was referred back to the

committee on penal instituttions. The Wade blue statewide game bill came up in the lower body but after some discussion it was set as a special order

of business next Wednesday morning. troduced by Senator Johnson of Robeson, would make violation of the banking laws prima facie evidence of intent to defraud. Senator Johnson's measure would shift cases to prove lack of intent to defraud.

The other banking bill proposed by the senator from Robeson would limit the tal and surplus instead of 25 per cent., the present maximum loan limit, and it would prohibit loans to officers and employees of a bank except when ample security is given, and the loan is approved by a majority of the board of directors in a resolution duly entered on the minutes showing members present, the amount of Student Pastors and Their Duties and the loan and a brief description of the security on which the loan is made

WORLD COURT PROPOSAL VIRTUALLY LAID ON SHELF

Aparent That Nothing Will Be Done With It By the Present Congress. (By the Associated Press)

Washington, Feb. 5 .- The world court proposal virtually was laid on the shelf of the sixth annual meeting here of the today by the Senate Foreign Relations education association of the Methodist Committee so far as this congress is con-

A two-hours' discussion got the committee nowhere, and afterwards Senator Swanson, of Virginia, the ranking Democrat on the comimttee, said he saw no reason for pressing his membership proposal tas there was no possibility of ac-tion before March 4th.

Postive Cure For Diabetes Sought By Purifying Insulin.

Pasadena, Cal., Feb. 5.-A positive cure for diabetes through elimination of impurities in so-called pure insuiin, is being sought here at the California Abel, professor of pharmocology and physiological chemistry of Johns Hop-

For some time physicians and scien active stocks listed in New York Stock tists have been administering insulin believing to be pure, said Dr. Abel. Recently he found that even the purest contained foreign materials. He then obtained leave of absence and came here to continue his search for means eliminating these impurities.

If it is possible to obtain insulin in an absolutely pure and free state, its effect on the human body will be far more positive than it is at the present time, Dr. Abel said.

Effective January 2, 1925, all insurance business formerly handled by the Southern Loan and Trust Company was transferred to the Fetzer and Yorke Insurance Agency. Offices in Cabarrus Savings Bank building, mezzanine floor.
