To Differentiate Between Co-ops and Farmers' Organizations.

Raleigh, March 1 .- A bill to prevent organizations of farmers from being confused with co-operative associations has been introduced in the legislature by Representative Connor and has been retwo friends. He made a brief visit to the committee or judiciary No. 2. The bill is entitled "an act to amend chapter 93, subchapter 4, of the Consolidated Statutes, relating to elimands. His presence here was not inating the word co-operative and substituting therefore the word mutual, and enlarging the powers of said act."

The purpose of this bill, it is said, to the very deep and abiding feeling is to allow farmers and others to form "mutual" organizations for making contracts with power companies, storage companies, etc., and to purchase goods okio. Feb. 27 (By the Associated in quantities, without having such or--According to advices received ganization become confused with cofrom operative associations.

NATIONAL DEFENSE PLANS CALL MANY

Rail Officials and Business With War Officers to Discuss Defense Plans.

SECRETARY WEEKS

They Are Expected by the roads on which not more than four trains Government to Play.

Washington, March 2.-Rail transpor with War Department officers here today to work out plans for national defense by which fartime endeavors of business transportation and the government may be co-ordinated into a workable unit.

The gathering was addressed by Secretary Weeks and Maj. Gen. John L. Hines, chief of staff, who outlined the defense plans tentatively mapped out by the department, and the part assigned to

Secretary Weeks emphasized the vital eed of transportation for the national depended for its effectiveness upon movément "an indispensable element of war." "If our armed forces should be compelled at some future date to defend the continental territory of the United States, the railways of the United States would prime importance," the Secretary said. "You know, as well as I, that it would not be possible for the railroads and the army to co-operate effectively immediately upon the occurrence of an unfortunate emergency, unless they spend d you here.'

Gen. Hines described more in detail what services to national defense the
