> No Official Voice Is Heard In Washington But It Is Known The Election Is Viewed With Doubt There.

> FRANCE DOES NOT HIDE DISPLEASURE

James W. Gerard Says Hindenburg's Election Creates Menace To All Other Na-Tions Of The World.

Washington, April 27.—Its psychological effect outside of Germany rather that what it may portend as a new direction in German politics appeared to be the chief concern in official circles here in view of the triumph of Field Marshal Von Hindenburg in yesterday's election. Continued official silence on the elecion did not conceal today a reaction of surprise. The general view seems to be that Germany has taken a step almost certain for a period at least to hinder her rogress in recuperation from the war.

Is Menace to World, Says General. New York, April 27 .- Election of field narshall Hindenburg as President of Germany is a menace to world peace, in the opinion of Jas. W. Gerard, former am-

assador to Germany.

Mr. Gerard today characterized the election as a flat declaration by the German people of a return to militarism and

Paris Not Pleased.

Paris, April 27 .- News of the election of Field marshall Von Hindenburg as President of Germany was recorded here with a certain amount of uneasiness. Although it was felt there was little to choose between him and the other principal candidate, Dr. Marx, the field marshall is believed to represent in a greater degree the spirit of war revenge than his civilian opponent.
