Mayor C. H. Barrier and the mempers of the board of aldermen who are to serve during his regime, met in their first meeting at the city hall Thursday night and they moved off in such fashion as to indicate their regime will be one

of economy and speed. Appointment of committees and fixing of salaries for the city officers were the most important matters acted upon by the board after the members had been sworn in. The board agreed to the

meeting date of the retiring board-the first Thursday night in each month. It didn't take the board long to get down to business after the daths been administered and it didn't take long to get action on the various matters presented for action. Mayor Barrier started things with a rush by naming the following committees, the chairman being named first in each instance
