Aldermen of City Met Saturday Night But Decided to Wait Until Tuesday Night For Decision.

BANK OPPOSES THE PROPOSITION

This Message Carried to the Meeting Saturday Night by Mayor Barrier.—Speakers All Favored the Plan.

Saturday night's meeting of the board Nothing was done in regard to the widening of Depot Street and the only definite action forthcoming from the meeting was that it was decided to hold a final session Tuesday night, at which time all persons interested in the matter were urged by

the mayor to be present. During the course of the parley several items of interest were brought out. In the first place, there came to light the fact that a contract had been entered into between the city and bank officials in the former administration which bound HUGE APARTMENT HOUSES the city to a limit of six feet in widering the street at this point. it developed from remarks by the mayor, who had just previously been in conference with the bank officials, that the Bonita, in northwestern New Mexico, is bank was opposed to any widening whatdescribed by Dr. Neil Morton Judd, soever. A third fact brought out was curator of Southwestern archaeology that in the representative sprinkling of for the National Museum in Washing- interested persons in the audience Saturday night, there was not a voice raised ment house on the North American con- in opposition to the widening, while a

number made talks advocating it. The Bonita had 800 rooms and space The meeting was called to order after about to house between 1,200 and 1,- about forty minutes wait on the mayor who had been detained, he said. Excavations of the pueblo may lead to briefly gave a historical sketch of the to send representatives to the meeting, he The Bonita contains evidences of the stated, and since they were an interested
