GOVERNOR TOLD OF HOSPITAL'S NEEDS

Has Been Apprised of Con- Will Be Some Time Before ditions at State's Sanatorium for Tuberculosis Patients.

Raleigh, Aug. 17.—(A)—The situation at the State Sanitorium for persons afflicted with tuberculosis, where haustive study of efficiency of air diit was reported Saturday that ap- rigibles in national defense, but they proximately thirty-six patients must do not agree with wide pub" hed prebe requested to leave within the next dictions that a lighter than air naval six months because of the lack of squadron can be created in the near space and funds, has been officially future. They reached called to the attention of Governor before 10 a .m. and im- McLean, it was stated at the execu-

the governor, stated that he had telegraphed Mr. McLean at the camp a broad scale. where he is spending his vacation, advising him of the situation and that ress in Washington with the governor in a communication today had mentiond being apprised of the conditions through the Associated naval estimate for the fiscal year 1927 Press on Saturday. Mr. England further stated that the executive had not made any statement as to his intentions in his reply, but the matter would be laid before him again when

> Want Uniform Suits for Traffic Cops. (By the Associated Press)

Greensboro, Aug. 17 .- County commissioners in convention at Blowing Rock were urged in a telegram from C. W. Roberts, vice president of the move speed signs that were erected prior to the passage of the uniform state speed law and are now illegal. The wire follows: Your convention, ties establish a uniformed constabu-

a greater annual toll of forcing the motor laws of each county. Action of this kind is absolutely necessary if we are to reduce accidents and protect the lives of our people while on the highway. Only uniformed officers should be permitted to serve. We further would ask that then measured, and a table that has all counties properly mark their roads already been compiled gives the height as required by law and remove the of the clouds for each particular anhundreds of illegal speed signs that gle.

are now standing. Mecklenburg, Guilford, Montgomery and Stanly are among the counties that have already inaugurated uniformed traffic officers.

Discusses Italian Debt.

Rome, Aug. 17 .- (A)-Giamoco de United States, arrived here today from Er Riffi. America to discuss with his govern-ment the Italian debt situation. He went immediately to the foreign office where he conferred at length on pending questions between the United tain and Northern Ireland last year States and Italy.

READY FOR WARFARE

Lighter Than Air Craft Can Be Used on a Broad Scale, Experts Agree.

Washington, Aug. 17 .- (A)-Ranking naval officials are planning an ex-

Admiral Aberle, chief of the naval time before sufficient lesson Charles H. England, secretary to could be learned to warrant adoption of any policy for use of dirigibles on

He added that the navy does not contemplate the building of any big dirigibles for a long time to come. The now before the budget bureau contains no request for extensive dirigi ble development since the navy prefers to adopt the role of onlooker for the present, while private industry exhe returns, probably about the 25th of periments in the building of lighter than air craft.

Measuring Height of Clouds

Pairs, Aug. 17.-Measuring the height of clouds is now a current practice at Montsouris Observatory, near Paris, and an ingenious invention shown there is expected soon to fine its way to all aerodromes. The apuniformed traffic officers and to re- paratus consists of two huge mirrors on the ground; one is a shallow lake of black water, the other is a horizontal crystal mirror, which rotates on its axis. From a "watch-tower" at is urged to recommend that all coun- a distance the observer sees certain lary system for the purpose of en- and causes the crystal mirror to rewith the other-that is, until the same parts of the same clouds are seen in both mirrors at the same time. The angle to which the crystal mirror has been tilted for the purpose is

Anderson Again Evades Dragnet Spread For Him at Farm House

day received a "hot tip" that George had evaded the drag net they spread (Dutch) Anderson, named by Ben for him. Hance in a dying statement as the slayer of himself and his wife, was in a farm hous near Hartford City, to collect additional evidence against Ind., returned to this city tonight.

Early tonight several police in command of Chief of Police Hance's dying Statement as a compatch Friday or Sat- Randolph and Chief of Detective awaits the approval Fred Puckett, armed with riot guns, between here and Hartford City, Ind., man, notorious mail robber, gunman where Anderson was reported to be and jail breaker has been sought by place but found that Anderson, who escaped together from Atlanta.

Muncie, Ind., Aug. 16 .- several has been sought for more than squads of Muncie police and mem-bers of the sheriff's force who late to-his escape from the Atlanta prison,

Throughout the day officers ran down numerous "tips" and took time squads of Wolfe who alcarles (One Arm) janion of Anderson.

Anderson, a pal of Gerard Chap in hiding. Arriving at the farm the officers cautiously closed in on the private detectives ever since they Li Fook Lum, former mayor of Can-

OFFICERS KEP UP 'DUTCH" ANDERSON

Various Persons Have Seen Him Since the Slaying of Ben Hance and His Wife.

KEEPS OFFICERS ON THE HUNT

Several Places Have Been Raided But Anderson Always Manages to Be Absent.

Muncie, Ind., Aug. 17.—(A)-Geo. Dutch" Anderson, mail robber, jail breaker, and pal of Gerald Chapman today still was being hunted for his latest crime, the slaving of Ben Hance and his wife, who informed on Chap-

Anderson, who has eluded scores of Federal officers, private detectives and police departments of the entire counry since he escaped from the Federal orison at Atlanta nearly a year ago, has been reported seen numerous times on the streets here and in apartment houses since the slaying of the Hances last Friday night, but each time the police raid the place Anderon is missing. Anderson is wanted by the government to complete a 20 year sentence for robbing a mail truck on the streets of New York. Last night the police received hot tip that Anderson was hiding in a farm house between Muncie and Hartford City, Ind. Armed with riot guns several squads of police closed in on the place, but after a complete search of the place Anderson was miss

Hance, the police say, has paid with his life because he violated the unwritten code of the underworld in squealing on Chapman. Chapman is now being held in the Connecticut state penitentiary under death sentence for the murder of an officer,

HOLMES-POISSON BID STRIKES TECHNICALITY

heek for Fisheries Products Com-pany Property Should Have Been Filed With Receivers.

Admiral Aberle, chief of the naval Poisson ten per cent increase over the program.

operations said today it would be a Keith-Scott bid for Hilton plant of The co the Fisheries Products Company has row, and previously only thirty struck a snag, according to a letter higher officials were expected to atfrom former Judge W. P. Neal, of tend. from former Judge W. P. Neal, of tend. It is now expected that the Laurinburg, a receiver of the defunct chiefs of Hawaii, Alaska and Porto concern, to Owen D. Holmes and Rico will be the only absentees. Louis J. Poisson, the latter of Rountree and Carr, attorneys, and to H. treasury, creator of the plan for de-Ford, deputy clerk of the United centralization through appointment of

States court here.

The technicality is that the check for \$4,876.30, given by Holmes and day with his associates in the work. Poisson, was made payable and deposited to the credit of the United States district court of East Carolina when it should have been deposited with the Fisheries receivers, Judge Neal and Judge J. E. Weskett.

As the matter now stands, it is stated that Holmes and Poisson, in order to make their 10 per cent increase over the bid of B. F. Keith and David Scott, would be required to make a new check payable to the receivers as the deputy clerk here is not authorized to draw this money from the bank without an order signed by Judge Issac M. Meekins, of Elizabeth City, who is in Europe.

DRY OFFICE WILL BE OPENED IN CHARLOTTE

Field Man in City Arranging For Opening Bureau in Old Mint Charlotte, Augg. 16 .- J. D. Tay

or, field suprvisor of the federal prohibition department, is in Charlotte, to direct the setting up here by September 1 of headquarters for this district of the prohibition service. Under the revised plan of prohibition enforcement headquarters for the states of North and South Caro-

lina and Georgia will be located in establish the office. He has visited the prohibition headquarters at Salisbury, Atlanta and Greenville, S. C., and furniture

equipment now used in those offices will be here for use in the district

Crimes of 300 Years Ago. Berlin, Aug. 17 .- Traces of crimes

committeed in the sixteenth century have been discovered near Noustadt. Workmen digging on a site occupied in the Middle Ages by a hostel for pilgrims unearthed two human skeletons. The hostel was kept by a mother and her son, and it was discovered in 1597 that for years they had been killing and robbing rich foreign pilgrims, burying the body beneath the cellar floor. The son's sweetheart overheard a conversation between the two criminals and denounced them. Mother and of Mussbach.

Anti-Strike Situation Quiet. Canton, China, Aug. 17 .- (A)-Despite rumors of trouble yesterday, the anti-foreign strike situation remained quiet today. A few foreigners are entering Canton and have not been molested. A Chinese newspaper says the government has issued a proclamation stating its intention to attack Honan
