MYSTERY SURROUNDS

Coroner's Jury Says Synder Was Hit Over Head With Blunt Object. Greensboro, Nov. 28 .- Mystery surrounds the death of Charles Synder, aged 28, who early this morning was Monroe, but as Judge Stack has a cut in two by a freight train. It was said by two young men just after his death that he crossed the Southern railroad tracks at a street here and was knocked back on the track by an automobile and run over by the locomotive of a freight train.

However, tonight the coroner's jury declared that the man was hit over and thrown under the train by an unknown person or persons.

The two men, who said they were compaions of Snyder, named C. O. Parrish and W. M. Butler, were re- MORRIS KILLED IN

Queer Superstition About Figure That Appears on Death of Reyal Person. London, Nov. 30 .- The death Queen Alexandra has served to recall the popular story of the "ghostly bodtman of Hanover," which is the-lieved to this day by a large number of people, especially by the Thames

It seems that on the night of June 26, 1830, Col. Dawson, who married the adopted daughter of Mrs. Fitzherber, was standing with a friend on Westminister bridge, when he saw a small wherry containing a little muffled figure dart from the shadows and swiftly and noiselessly make its way down the

While they were watching the small craft a Thames waterman nearby exclaimed to an awestruck voice, "There goes the boatman to Hanover.

On being asked what he meant, the man exclaimed that King George must be dead, as the figure always appeared on the demise of the sov-ereign, his consort or the direct heir to the throne, and rowed to Hanover to carry the news. On returning home Colonel Damer

heard that George IV. had died at the hour when he saw the wherry miniature lakes, and some office work- were led to safety by the police—as set out fom beneath the bridge.

The ghostly boatman is said to have come over with the house of Hanover and to have been seen at

the death of each of the English

sovereigns of that dynasty, or members of their families. When the Prince Consort died in 1861, the boatman is stated to have appeared from beneath Westminster bridge, and, again, at the very moment when Queen Victoria breathed her last at Osobrne, on the Isle of Wright, not only many Thames watermen, but quite a number of well educated, level headed and re-
