KILLED LAST WEEK IN TRAFFIC WRECKS

39 Persons Were Killed and 227 Others Were Injured in Wrecks.

SEVEN DEATHS IN TAR HEEL STATE

Georgia Again Had the Highest Number of Injuries and Virginia Came Second.

Atlanta, Ga., Dec. 21 .- (A) -Thirtynine persons sacrificed their lives during the past week on the altar of the traffic god, and 227 others suffered varying degrees of injury. Some of these are expected to die. These figures were revealed today in a survey of traffic accidents by the Associated VIRTUALLY OVER Press in eleven Southern States.

North Carolina with 7 deaths, led the galaxy of states, while Florida and Mississippi reported two each as the lowest number.

Georgia again had the highest number of injuries, with 49. This was one less than was reported through the same channels last week. Virginia was a close follower, with 44. Florida reported none, having been injurwas taken by scattering accidents. Tabulation by states includes: North Carolina 7 deaths, 39 injured;

South Carolina, 3 deaths, 4 injured. COL MITCHELL BSFORE THE SHENONDOAH BOARD

Tells Why He Made Public Charges Against Those Who Sent Dirigible on the Western Trip.

Washington, Dec. 21.—(P)—Over the protest of his own counsel, Col. William Mitchell explained to the Shenandoah naval court today the basis of his public charges against those who sent the giant dirigible on

Some of these charges, he insisted, greens. She asked the Department of the bank when it failed, and who is were based on information which Agriculture if it; could not help her now a business man in Raleigh, start-reached him from sources he regarded market this commodity as it helped edWednesday and came to a climax as reliable, although others representraisers of fruit, truck, and poultry.
