NO TEN TOWNSHIP. In the passing of Mrs. Rosie Brown Best the "Flower" store community has lost a consecrated woman. She leaves a husband, two sons and one daughter, a father, two sisters and six brothers to mourn their loss. The deceased was the daughter of Mack Brown and the late Hattie Hudson Brown and was in her forty-eighth year. She was a power for good in the church and community life. In the home she was a loving wife and devoted mother always striving to cultivate in her children's lives a taste for the higher things of life. Why a kind providence saw fit to remove this good woman in middle life we can't understand. Perhaps she had finished her work. Funeral services were held from Roger Church, conducted by her pastor, Rev. A. G. Loftin, assisted by Rev. W. A. Newell. The large crowd present and the many beautiful floral offerings attested the esteem in which she was held. Mrs. F. M. Hartsell, who has been very sick, is somewhat improved. Mrs. E. P. Wilson died at his home here last Friday morning at the age of 53 years, of paralysis. His widow, seven daughters and four sons survive. The deceased was reared in the home of the late Joe Ross and Margaret McEachern McClelland and was given a parcel of land by these foster parents on which he lived all his life. He was a member of Bethel Church. In the absence of his pastor, funeral services were conducted by Rev. Mr. Frye, of Oakboro. H.

CENTER GROVE. The Woman's Club met Friday afternoon, July 2nd, at the home of Mrs. J. F. Eamhardt. The new president, Mrs. C. M. Castor, had charge of the meeting. Scripture reading and prayer was conducted by the president, followed by a reading "New Painting" by Miss Rebecca Castor. Then a story (very humorous) by Mrs. W. E. Eddleman, afforded laughter over the whole room. The roll call and minutes of last meeting read by the secretary, Mrs. J. L. Eddleman, and the minutes approved. Mrs. W. E. Eddleman, Miss Rebecca Castor and Mrs. D. B. Castor were appointed as program committee for the next meeting of meeting the first time. The place of meeting to be at the home of Mrs. D. B. Castor. After the meeting a social feature was added and various conversations were entered into. Mrs. W. F. Eddleman told many of her Florida experiences. Mrs. Eamhardt served ice tea and lemon cake, coconut cake, and cucumber pickles which "hit the right spot." We missed Miss Cooley so very much from this meeting. We regret to have her leave the county for she has done so much good for us. She left the last day of June for Lenoir, N. C., where she will take up her new field the first of July. Miss Backer will take up work the first of August in the county. Mr. and Mrs. Grady Ross and Phifer Charles, of Kannapolis, spent a few hours with Mrs. C. H. Castor, Sunday afternoon. A Delightful Birthday Gathering. At the beautiful home of Mr. and Mrs. L. S. Sloop in Fairview district in northeast Kannapolis, on the 29th of June, about seventy of Mr. Sloop's relatives assembled to celebrate with him as this was his 71st birthday. So at the noon hour on a table in the grove the ladies served a most sumptuous dinner and everybody seemed to enjoy that part of that time of day as much as any other part, so after all of this was over and everybody looked to be satisfied the rest of the day was spent in talking and having a general good time together, which will be remembered quite a long time. So everybody returned to their homes wishing Mr. Sloop many more happy birthdays. Those present were: J. H. H. Sloop and family, W. A. K. HOT WEATHER SUNDAY MADE CITY SWELTER

High Temperatures "Knocked 'Em Cold" But Breeze at Night Made Sleep Possible. Concord persons sweated under a summer sun Sunday, the high temperatures "knocking 'em cold," paradoxically speaking. The day was the hottest of the summer, the heat of the sun being so intense that motorists did not fare forth in any great numbers until late in the afternoon when some relief came with Sol's sinking. There is no official weather station in Concord, but individuals who could muster enough strength and "pep" to take an extra step to a thermometer are authority for the statement that the mercury hovered about the 98 degree mark during the day. A light breeze, forerunner perhaps of the shower that fell several hours later, sprang up about dusk and made sleep possible in most sections of the city. The rain fell about midnight, coming in a steady downpour for a short time. Lightning and thunder accompanied the rain but no damage was reported from the former. Newspaper reports this morning indicate that the Fourth was a day of intense heats in most parts of the eastern section of the country. There were heavy rains and severe electrical storms in some parts of the State, however, bringing relief from the heat. J. B. Sherrill, returning from Asheville, was held on a train near Asalea, N. C., for thirty minutes while trash and dirt were removed from the tracks of the Southern Railway following a rain that reached the proportions of a "cloudburst."

VISIT OTHER CITIES TO SEE HOW IT IS DONE

Various City Officials Guests of Capt. Q. E. Smith at Outing During the Day. Certain officials of Concord, desirous of serving the public more efficiently and of getting away for an outing, were guests of Capt. Q. E. Smith, city engineer, at a trip to Salisbury, Lexington and High Point Tuesday.

Rev. Claude Beam Heard With Interest

Rev. Claude Beam of Charlotte, who is filling the pulpit of the First Presbyterian Church here during July, was heard with much interest and benefit at the service yesterday morning. Combining a pleasing personality with a wide knowledge of facts, Mr. Beam speaks interestingly and instructively and is certain to be heard by large congregations at each of the morning services during the month. No vesper services will be held at the Church during this month. Wants Men to Learn to Swim. J. W. Denny, physical director at the "Y," is anxious for more non-swimming men of the city to join his swimming classes. Far more women have taken advantage of the opportunity to learn to swim correctly than have men. Make an appointment with Mr. Denny if you want to learn to swim and at the time take off any surplus flesh.

Canada is Believed by Many to be the Future "Land of Opportunity"

Canada is believed by many to be the future "Land of Opportunity." Of its area of 368,102,190 acres of farmable land, only 140,887,000 acres are occupied. A Chicago man, who was rejected by an examining board during the Civil War as physically unfit and warned that he would "not last a week" died recently at the age of 92.

CHADWICK-HOSKINS BREAKS GIBSON WINNING STREAK

Defeat Locals 11 to 7 Saturday in Slow, Uninteresting Game at the Gibson Park.

After having won her last three games and established a season record of nine games won against three lost, Gibson bit the dust for the fourth time Saturday when the sluggers of Chadwick-Hoskins jumped into the deliveries of Ellerbee and Simmons, mostly Ellerbee, for fourteen hits and eleven runs—including two homers by Belk, one by Little, and one by Summers. Ellerbee, an infielder by experience and desire, started his first game on the mound for Gibson. He didn't have much on the ball to start with and he lost all that before the seventh inning was finished. Benson, on the other hand, had the Gibson hitters eating out of his hand and but for numerous errors on the part of his constituents would have held the local team to many less than seven runs. Basinger and Watts were the only players able to hit his delivery at all consistently. The former with four out of four and the latter with two out of three accounted for all but one of the Gibson hits. "Peck" Wood got the other, a double in the fifth that scored a run. Belk and Little were the main part of Chadwick-Hoskins' strong offense, though with the exception of Keeter every man on the lineup hit safely at least once. Belk got two home runs, one a freak that bounced over the fence, and two singles out of five times up and Little connected with a homer that accounted for three runs. He hit a single also. Chadwick-Hoskins first broke the ice in the third when Hudson started the inning with a single to right. Benson hit one safely to left. Summers hit to Ellerbee who threw Hudson out at third. Summers was safe at first on the fielders' choice. Benson went to third on an error by Watts and scored a second later on an error by Basinger. Summers went out, Watts to Simmons and Meacham fanned to end the inning. Gibson Takes Three Run Lead. By making two runs in the fourth and the fifth innings Gibson took a three-run lead and for a moment looked like the ultimate winner. After Richards went out, Benson to Meacham, Sid Basinger hit his second single of the day and went to second when Bridges erred it momentarily. He advanced to third on Hatley's infield out and scored when Watts singled to center after Jarrett had received life at first on an error by Hudson. Jarrett came all the way home when Little threw the ball widely from the outer region. Ellerbee fanned to end the scoring that inning. Wood doubled to start the next inning. Andrews lined out to Summers, who doubled Wood off second. Richards walked also. Simmons came home on an error by Benson and Richards scored immediately afterward on Basinger's third single to right. Merry-Go-Round in the Sixth and Seventh. Benson went on an easy grounder to start Chadwick-Hoskins half of the sixth, but the merry-go-round started when Summers was safe on an infield out. Andrews erred Meacham's fast grounder and Little whacked one over the left field fence, scoring his playmates ahead of him. Belk singled to left, stole second, went to third on Oats' Texas leaguer, and scored on an error by Wood. In the next inning with one down Benson received life on an error by Simmons. Summers sent one over the fence in left and two more runs were in. Meacham went out, Simmons to Wood but Little cracked a single to left and came in ahead of Belk when Fritz hit out of the lot for another home run. Ellerbee and Simmons swapped places at this point. Keeter was easy for Simmons and the third out was finally there. Vain Rally in Eighth. Gibson scored three runs in the eighth inning on four errors, a walk and an infield hit, but it did not avail her anything because Chadwick-Hoskins put the game further on ice in their half of the ninth when Belk hit his freak home run off Simmons after Meacham was safe on an error by Andrews. Brief. One peculiar feature of the game was that not a single putout or assist was made by the Gibson outfield, and only three by the Chadwick-Hoskins outer-gardeners. Skipper Basinger has gotten six hits out of his last nine tries and has increased his hitting average to .340. It was simply too hot to play real baseball Saturday and the game lagged throughout. Umpire Frye almost became the target of a pop-bottle barrage when he called one the crowd didn't approve of and then took his chiders to task for their disbelief in his decision. By making two runs in the fourth and the fifth innings Gibson took a three-run lead and for a moment looked like the ultimate winner. After Richards went out, Benson to Meacham, Sid Basinger hit his second single of the day and went to second when Bridges erred it momentarily. He advanced to third on Hatley's infield out and scored when Watts singled to center after Jarrett had received life at first on an error by Hudson. Jarrett came all the way home when Little threw the ball widely from the outer region. Ellerbee fanned to end the scoring that inning. Wood doubled to start the next inning. Andrews lined out to Summers, who doubled Wood off second. Richards walked also. Simmons came home on an error by Benson and Richards scored immediately afterward on Basinger's third single to right. Merry-Go-Round in the Sixth and Seventh. Benson went on an easy grounder to start Chadwick-Hoskins half of the sixth, but the merry-go-round started when Summers was safe on an infield out. Andrews erred Meacham's fast grounder and Little whacked one over the left field fence, scoring his playmates ahead of him. Belk singled to left, stole second, went to third on Oats' Texas leaguer, and scored on an error by Wood. In the next inning with one down Benson received life on an error by Simmons. Summers sent one over the fence in left and two more runs were in. Meacham went out, Simmons to Wood but Little cracked a single to left and came in ahead of Belk when Fritz hit out of the lot for another home run. Ellerbee and Simmons swapped places at this point. Keeter was easy for Simmons and the third out was finally there. Vain Rally in Eighth. Gibson scored three runs in the eighth inning on four errors, a walk and an infield hit, but it did not avail her anything because Chadwick-Hoskins put the game further on ice in their half of the ninth when Belk hit his freak home run off Simmons after Meacham was safe on an error by Andrews. Brief. One peculiar feature of the game was that not a single putout or assist was made by the Gibson outfield, and only three by the Chadwick-Hoskins outer-gardeners. Skipper Basinger has gotten six hits out of his last nine tries and has increased his hitting average to .340. It was simply too hot to play real baseball Saturday and the game lagged throughout. Umpire Frye almost became the target of a pop-bottle barrage when he called one the crowd didn't approve of and then took his chiders to task for their disbelief in his decision. CHADWICK-HOSKINS BREAKS GIBSON WINNING STREAK

Defeat Locals 11 to 7 Saturday in Slow, Uninteresting Game at the Gibson Park. After having won her last three games and established a season record of nine games won against three lost, Gibson bit the dust for the fourth time Saturday when the sluggers of Chadwick-Hoskins jumped into the deliveries of Ellerbee and Simmons, mostly Ellerbee, for fourteen hits and eleven runs—including two homers by Belk, one by Little, and one by Summers. Ellerbee, an infielder by experience and desire, started his first game on the mound for Gibson. He didn't have much on the ball to start with and he lost all that before the seventh inning was finished. Benson, on the other hand, had the Gibson hitters eating out of his hand and but for numerous errors on the part of his constituents would have held the local team to many less than seven runs. Basinger and Watts were the only players able to hit his delivery at all consistently. The former with four out of four and the latter with two out of three accounted for all but one of the Gibson hits. "Peck" Wood got the other, a double in the fifth that scored a run. Belk and Little were the main part of Chadwick-Hoskins' strong offense, though with the exception of Keeter every man on the lineup hit safely at least once. Belk got two home runs, one a freak that bounced over the fence, and two singles out of five times up and Little connected with a homer that accounted for three runs. He hit a single also. Chadwick-Hoskins first broke the ice in the third when Hudson started the inning with a single to right. Benson hit one safely to left. Summers hit to Ellerbee who threw Hudson out at third. Summers was safe at first on the fielders' choice. Benson went to third on an error by Watts and scored a second later on an error by Basinger. Summers went out, Watts to Simmons and Meacham fanned to end the inning. Gibson Takes Three Run Lead.
