BOON TO BOOTLEGGERS

Santa Claus Came Early for Bordes Rum Runners in Dry Election. (By International News Service) Syracute, N. Y., Dec. 13 .- Booteggers throughout northern New York re wearing broad, genial smiles, as Santa Claus came early for them. And all due to the fact that the province of Ontario-just across the Long Fight is Expected border lines-has gone "wet" by a nuge majority.

G. Howard Ferguson, leader of the conservatives in the recent provincial elections, made his campaign on a platform calling for the sale of liquor under a government commission, as opposed to the present temperance act. Out of the 109 members of the Ontario Legislature 89 who had pledged themselves to support Mr. Fergusor have been elected.

Hence the rejoicing among the boot leg fraternity in northern New York. No Sorrow Apparent

Investigation will also reveal there is nothing like sorrow and depression operator and missing defendamong the owners of summer resorts along the Canadian border and in va- Pherson conspiracy case in rious other points in northern New

COLD WAVE HEADED FOR MIDDLE WEST: **BLIZZARD STRIKES**

Snow Flurries Carried to Middle West and Southwest by Blizzards Coming From Canada.

SIX DEATHS ARE KNOWN SO FAR

Coldest Weather of Season is Predicted Soon for Certain Sections of the Country.

Kansas City, Mos., Dec. 13.-(A)-Cold worthwest winds today brought snow flurries to many parts of the middle west and southwest, sending thermometers tumbling with the prospect that this section would experience the coldest weather of the seaso following a blizzard which yesterday struck the mountain states.

Driven by brisk winds, the storm swept southwestward from Canada Saturday night and yesterday, enveloped the Rocky Mountain region and part of the Pacific northwest states. The blizzard continued to-day in the territory east of the continental divide, while Albert and Saskatchewan were digging out of the worst tieup in ten years.

Two deaths were reported in the Canadian province, and traffic and wire communications were cut off as 40-mile wind whipped snow int banks from 10 to 20 feet high. story buildings in northern Saskatch-Says There is a Somewhat Exagger. ewan were buried, but Manitoba es-ated Impression About Duke Uni-Sweeping through Montana into Wyoming, Utah and Colorado, the
