**TRACTOR SCHOOL BY INTERNATIONAL HARVESTER COMPY**  
 Given on Tuesday, February 8th at the Store of Ritchie Hardware Co.—Many of the Farmers Attended.  
 Ritchie Hardware Co., the local distributor for The International Harvester Co., of America, put on an unusual demonstration on the second floor of their building on Tuesday, February 8th.  
 The entertainment was in the nature of a moving picture description showing in detail the manufacture of the McCormick-Deering Tractor from the time the ore is taken from the mine, to the completed giant of power ready to be delivered to the customer.  
 Personal invitations were mailed from Chicago to about 200 of the prominent farmers of the county and all the seats in the improvised auditorium were comfortably filled.  
 The projector in charge, explained every detail concerning the minutest piece that goes into the big machine, stressing the fact that a chemical analysis is made of the molten metal as it comes from the furnace, and following it to the time it is converted into steel bars to be formed into parts.  
 The auditors were very much interested in the exhibition as tractor farming has become the most popular in viewing of the shortage everywhere of farm labor.  
 A delightful luncheon was served to the guests and all who attended were pleased with what they had learned from this demonstration.  
 All members of the Concord Merchants' Association are urged to attend the meeting to be held tonight at 6:30 at the Y. M. C. A. Light refreshments will be served.

**WOUNDED YOUTH IS STILL AT LIBERTY WITH PAL IN JAIL**  
 Officers Unable So Far to Locate Lorry Moore—Linwood Helms' Wounds Are Said to Be Not Serious.  
 Lorry Moore, wanted by county officers for the "temporary use" of an automobile, is still at liberty, so far as officers here know. The 18-year old youth had not been arrested last night and as they have heard nothing to the contrary this morning local officers presume that he has not yet been arrested.  
 In the meantime his pal, Linwood Helms, resides in the county jail here. Helms was lodged in the jail Tuesday night when arrested in Kannapolis. It is charged that Helms and Moore stole the Chevrolet touring car belonging to a Mr. Fortner, of Kannapolis. Helms denies that the car was stolen, claiming that he and Moore just "borrowed" it for a joy ride.  
 The ride was dramatically halted when Mr. Fortner, armed with a shotgun, passed the pair in Yincup, a Kannapolis suburb, and opened fire when they ignored his command to halt.  
 Both boys were struck by shot but an examination by County Health Officer Caldwell yesterday disclosed that only four of the shot struck Helms. Helms are not serious.  
 Moore went to the name of relatives with whom he boarded in Kannapolis immediately after being shot and exchanged his bloody shirt for a clean one. He has not been seen since. The amount of blood on the shirt discarded led officers to believe he received more shot than Helms.

**SMART BUYERS COME HERE!**

We're not getting all the tire business in town. We never expect to. But we're getting our share and our business is growing constantly.

The reason for this is that car owners have found our location is convenient, our service prompt, efficient and courteous, our merchandise of the highest quality, and our prices surprisingly low.

As a matter of fact, and we realize it sounds pretty strong, if every car owner in town who is not buying from us, really knew what we had to offer, we'd come pretty close to having a monopoly on the tire business here.

We honestly believe this, because we're already selling to scores of the brainiest tire buyers in town—smart people who look twice and think three times before they buy anything.

If we can satisfy them and keep on doing it—we can please you, too.

**COMMISSIONERS IN SESSION HAVE BUT FEW THINGS TO DO**

Routine Matters Mostly Occupied Attention of Board at February Meeting at Courthouse Monday.

Few matters of county-wide interest were presented to members of the board of county commissioners at their February meeting at the court house Monday.

During most of the session, which began at 10 a. m., members of the board transacted routine matters, although some time was taken up with discussion of various matters that were not finally acted upon at the session.

Upon the request of citizens and recommendation of county officers the board engaged or ordered to be engaged another county officer for the suburbs of Kannapolis. This officer will work in co-operation with Sheriff R. V. Caldwell, Jr., and Chief

Boger, of the Kannapolis police department. He will devote practically all of his time to the suburbs of Kannapolis.

New and modern scales, purchased some time ago by the county, were ordered installed at the cotton platform. The installation had been held up pending the beginning of work on the new platform, it was said, but since the date for the starting of this work is still undecided, members of the board ordered that the scales be installed at once. The scales will be installed for public service, according to the order of the board.
