future will determine the fate of their public library. Assembly and members of the board

Under the terms of the bill a new election, and a majority of the voters

nust approve of the bonds before they operator. I told him I could. an be issued by the city.

The bill provides that the voters shall determine whether bonds in the sum of \$60,000 are issued by the city, the money from the sale of the bonds to be used to erect a library building, purchase equipment and books. The bill provides further that a

the \$100 shall be levied for maintenance of the library. This is a small increase over the present law and library trustees have declared in several occasions that the present income is insufficient for the proper mainten-

ance of the library. The bill was drafted by L. T. Hartsell, Sr., chairman of the board of trustees of the library. It provides also, that trustees of the library shall library building and site and purchase a new site upon which the new buildng would be erected. The bill was sponsored in the Legis

lture by State Senator F. J. Haywood and Representative Sam Black.
