This afternoon, while the mother was hanging clothes in the yard in the rear of the house, she noticed: Tommy playing with a box of matches. She took them from him. Balked in his play, Tommy left his mother's side, went to the kitchen, climbed up the side of the kitchen cabinet and seized his father's .32 calibre revolver. Strid ing into the yard, he stepped over Paul, his baby brother, who was sleep ing in a basket, placed the muzzle of MEETS IN RALEIGH the pistol against his mother's neck and pulled the trigger.
