

80 Spectators At V. M. I.-Maryland Football Game Hurt, 15 Seriously

Richmond, Va., 22.—About 80 persons were injured, perhaps 15 of them seriously and many others receiving minor cuts and bruises when a section of the stands at Mayo island park crashed here today as the spectators stood in their seats to cheer a brilliant run of Barnes, V. M. I. halfback, in the game with Maryland. Almost miraculously, no one was killed.

Cries rent the air as the stands began to waver and then toppled with a crash. The football game was halted for 20 minutes while firemen, police and ambulances were rushed to the scene to remove the injured. Eager spectators who rushed forward were held in check by rapidly formed police lines and order was maintained.

Within less than an hour after the stands caved in, every hospital in the city was reporting lists of injured and every available physician was called in to make hurried examinations of the patients. Tonight the injured were reported resting easily although several were considered to be in a serious condition.

The stands, reserved for the Maryland supporters began to break in front, then the tiers in the rear, from five to 15 feet above the ground, collapsed, throwing hundreds violently to the ground.

BORAH NAMES HORSE "GOVERNOR."

Washington, Oct. 22.—"Governor" is what Senator Borah, of Idaho, has decided to call the new horse recently given to him with the name of "Al Smith." Senator Borah, who finds his new mount a worthy successor of "Jester," which he rode for years, says he doesn't think it right to call the horse Al.

BETTER LUCK WITH FOOTBALL GUESSES SENDS AVERAGE UP

Gussed Nine and Tied One Out of Twelve Games Played Saturday.—Big Games This Week.

By W. M. SHERRILL

Lady Luck smiled our way Saturday and as a result we can claim nine correct guesses and one tie from the 12 grid forecasts made for the week-end.

This sends our average for the year somewhat higher and gives us one of the best week-ends of the football year. Some of the games were certain to go our way, but in some there was a chance for most anything and we were fortunate in the fact that the teams played about true to form with no upsets in the particular contests that we choose.

We were disappointed in the Wildcats but to offset this was the splendid performance of the Tar Heels at Atlanta. State played up to expectations in Florida and Duke came out about as expected.

Herman Davidson would win by a touchdown or two and Coach Younger can't be far wrong when he says his proteges played their worst game in five years. The Wildcats showed a fine spirit in scoring the tying touchdown, but Cox should never have gotten away with those two runs.

Down in Atlanta the Tar Heels gave Georgia Tech a run for the money. Several times, as a matter of fact, the North Carolina team was on the threshold of one of the greatest upsets of the year, but the punch was not there and the ball was lost several times within the Tech 15-yard line.

McDowell, who is proving one of the finest players in the South this year, was the main factor in State's defeat of Florida. The teams battled three quarters without a score and then came the plays that gave State 2 scores and Florida one. McDowell himself is entitled to Southern recognition if he continues to show the form displayed so far this season.

Duke looked good in spots and bad in spots, but it must be remembered that the Blue Devils were up against one of the big teams of the country. Fresh men were available for the Navy at all times and on a team like that one man is about as good as another. Forward passes, used by the Devils to keep in scoring distance at all times, proved their undoing, for several of these were turned into touchdowns for the Navy. However, Duke proved in this game that it has an offensive, and the 17 first downs indicate that DeHart is building on the old theory that the best defense is a good offense.

Virginia seems destined to become one of the best teams in the South before the season is over. After scoring a victory over V. M. I. last week the Cavaliers came back with a 7 to 0 victory over V. P. I. Saturday and the latter team appeared much the better at the opening of the season. With Carolina improving some and Virginia improving noticeably, the Thanksgiving clash at Chapel Hill may produce some real football after all.

Erskine could not halt Furman's second-string backfield, Georgia crushed Auburn and Washington and Lee scored 25 points against Kentucky.

Notre Dame found Indiana rather easy, and Princeton showed much strength in defeating Cornell.

Our predictions proved bad in two games—the Virginia-V. P. I. and the Yale-Army clashes. Yale played fine ball to defeat the Army 10 to 7 and as already stated, Virginia looked good in conquering V. P. I. Yale and Princeton apparently have two of the best teams in the east and their games this year should attract a record crowd.

This week North Carolina fans will have plenty of games. Carolina and State meet at Raleigh Saturday, Davidson entertains V. M. I. on the same day while Duke and Wake Forest will clash on the same day at Wake Forest.

It will be home-coming day at both State and Davidson, and efforts to move up the Duke-Deacon game having failed, it is probable that all three games will attract monster crowds.

MRS. MOSS DIED SUDDENLY AT HER HOME IN CONCORD

Death Occurred About Eight O'clock This Morning.—Brief Funeral Services Here at 9:15 Tomorrow.

Mrs. Elizabeth Hemphill Moss, wife of E. A. Moss and one of the most popular women in Concord, died this morning about 8 o'clock at her home here. Death was due to a heart attack.

A brief funeral service will be held at the home tomorrow morning at 9:15, after which the body will be taken to Morganton for interment.

Mrs. Moss was 46 years of age, having been born February 13, 1881. She was a daughter of the late T. L. D. She was born and reared in Morganton, where her family is prominently known.

She is survived by her mother and one sister.

Dr. J. C. Rowan, pastor of the First Presbyterian Church, will conduct the funeral here. Mrs. Moss was an active member of the First Church here.

OAK RIDGE BURIES COLLEGIANS UNDER EIGHT TOUCHDOWNS

Mt. Pleasant Institute Eleven Outclassed by Rip-Tearing Oak Ridge Machine at Al-bemarle.

Oak Ridge smothered the eleven of Mt. Pleasant Collegiate Institute, 51 to 0, at Albemarle Saturday afternoon. Displaying a relentless offensive, Oak Ridge's fleet backfield flashed along the white-marked field to roll up eight touchdowns. The M. P. C. I. eleven was simply outclassed, unable to meet the terrific onslaughts of Oak Ridge.

Sweeping down all before them, the Oak Ridge warriors began piling up the score over the Mt. Pleasant Collegians immediately. Harry Frazier, inclusive Cadet halfback, eased around the Institute flank for the first touchdown. Soon after Pierce crossed the M. P. C. I. goal again.

The Oak Ridge team played as one man, and the perfect interference which the Riders executed was the feature of the game. The line played their usual game, forcing the Collegians to punt practically every time they had the ball, as Oak Ridge kept the ball practically the entire game.

Coach Bostian pulled a surprise when he started Abernathy in the backfield. The fast boy from Statesville, however, showed the Mt. Pleasanters a few tricks about the gentle art of football, tearing off neat gains at will. He was off on a long run for a touchdown around end one time only to be stopped by the safety man a few feet from the coveted line. Another feature of the day was the running of K. Whitner, third string backfield man. He took the ball several times through the entire Mt. Pleasant team at will. Also the combination team of Beaver to Pierce functioned as usual, as they completed several nice passes.

Mt. Pleasant also tried a passing game much to their sorrow, as they soon found out that Oak Ridge had a man named Kistler who could intercept them very intelligently. Two touchdowns came by this route.

Saturday's win marked the fifth straight win for Oak Ridge out of five starts. It also ran their total score to 115 to their opponents' seven, their goal line only being crossed once this season, and that by the strong Duke freshmen.

Lineup:

Oak Ridge	Pos.	M. P. C. I.
Pierce	Griffin
Webb	Hinson
Lefebvre	Sloop
Owen	Lipe
Mohn	Adams
McDade	Courier
Gardner	Conrad
Goodson	Wilson
Abernathy	C. Widenhouse
Frazier	L. Widenhouse
Beaver	Hager

Score by periods:

Oak Ridge	13	12	6	0-51
Mt. Pleasant	0	0	0	0-0

Scoring: Touchdowns—Frazier, Abernathy, Pierce, Wilson, Kistler, Pierce.

WALTER COOK HURT TODAY WHEN HE WAS CAUGHT BY PULLEY

Painter With Fuller Construction Company Has a Miraculous Escape From Death at Brown Mill.

Hurled to the concrete floor after he had been through the harrowing experience of revolving with a pulley in which his clothing had become entangled, Walter Cook, 25, painter, was probably seriously hurt at the Brown Manufacturing Company at 9 o'clock this morning.

Mr. Cook, who is employed with the Fuller Construction Company in the erection of the new addition to the mill, was painting at the time of the accident. Standing near the pulley his clothing was caught by the belt, Mr. Cook being carried from the floor to the pulley around which he whirled a number of times before his clothing was torn from him and he was flung to the floor.

The fall to the floor injured the man worse, it appears, than his revolutions with the pulley. In the fall Mr. Cook's hip was injured, and perhaps broken. X-ray pictures will be taken during the day at the Concord Hospital where he was rushed following the mishap. The painter also suffered severe bruises about the shoulders, and his wrist was bruised.

Death might have been lot of Mr. Cook if his clothing had not ripped freely while he was turning with the pulley, releasing him from a tragic fate that was bound to come otherwise.

GEORGE TROUTMAN DIED EARLY TODAY AT MT. PLEASANT

Blacksmith and Former Policeman of Little Town Near Here Claimed by Death Suddenly.

Stricken suddenly while in the garage of Jim Smith at Mt. Pleasant this morning, George Troutman, aged 45, died at 6:45 o'clock, bringing tidings of great sorrow to his scores of friends and relatives in his native community and county.

Mr. Troutman was en route to open for the day his business, a blacksmith and repair shop, stopping at Smith's garage, when he was seized by death. A physician was summoned immediately but was helpless to restore life to the beloved man.

For many years Mr. Troutman, the village blacksmith, had been a familiar figure in Mt. Pleasant. He had not only been the blacksmith in the little hamlet but had also served as a policeman. He was the village officer some years ago. Mr. Troutman was held in high esteem by his countless friends, and his untimely death ushers sorrow into the Mt. Pleasant section.

The deceased leaves a wife and several children.

Arrangements for the funeral will be announced in Tuesday's edition of The Tribune.

GOODMAN IS BACK FROM DAIRY SHOW HELD IN MEMPHIS

Cabarrus Agriculture Agent Had Splendid Trip, and Was Deeply Impressed With Show.

County Agent R. D. Goodman, J. H. Hobby and H. J. Goodman, all of Cabarrus; and O. H. Phillips, agriculture agent of Stanly county, returned Sunday from Memphis, Tenn., where during the past week they attended the National Dairy Show and the Memphis Tri-State Fair.

Agent Goodman described the dairy show as a decided success, and of great beneficial value to cattle raisers. Mr. Goodman said he watched the judging of all of the cattle, including Jerseys, Guernseys, Holsteins, Aashyre and Brown-Swiss. The champion Holstein cow exhibited at the show gives an average of 41 quarts of milk daily, he stated.

R. L. Shuford, of Newton, Catawba county, entered his prize Jersey cow in the show. The cow bears the name of Red Lady and is Dixie's champion. This entry spoke outstandingly for North Carolina and its rapidly increasing interest in raising pure strains of cattle.

Mr. Goodman declared that the exhibits at the Tri-State Fair were splendid and representative of the farm crops, including legumes and horticultural products.

Mr. Goodman and the three other men in the party made the trip to Memphis without incident. They travelled by auto from Concord to their destination in good time, leaving early on Sunday morning and reaching Nashville in the afternoon where they stopped for the night. On Monday the trip to Memphis was completed. Including the distance both ways, some 1,480 miles, they had only one flat tire, and had to "back-track" only a half mile.

Seven county agents, besides Mr. Goodman, attended the dairy show and fair from the Piedmont district of North Carolina. They include: O. H. Phillips, Stanly; Kope Elias, Mecklenburg; T. J. W. Broom, Union; C. A. Sheffield, Davidson; A. R. Morrow, Iredell; J. W. Hendrix, Catawba and L. B. Altman, Gaston.
