Officers Had To Convince Man He Wasn't Shot.

Columbus, Ohio, Nov. 28.-It took

six policemen and a mirror to convince Henry Haines, a local filling station manager, that he wasn't shot him up today. The bandit held him up, Haines

said, and ordered him to open the safe, "I told him I didn't kow the combination. Then I heard a shot." "I'm shot, I'm shot" Haines yelled, scaring the robber away and bringing neighbors and the police. He was carefully carried into an adjoining house where newspapers were spread on the couch to catch the blood. But, police noticed, there was no blood, and an examination showed no trace of a wound.

"I can't understand it," Haines said later, still visibly excited, "I was sure I felt a shot in my neck."

DOKIES PLAN ANNUAL FALL CEREMONIAL AT CHARLOTTE DEC. 8TH

Members of Suez Temple, Knights of Khorassan, Are ments for Celebration.

The annual Fall Ceremonial of the Suez Temple No. 73, Dramatic Order Knights of Khorrasan, will be held in Charlotte Thursday, December 8th, it was announced Tuesday, and many Dokies from this section are making plans to attend the event.

Many business matters will be given attention at the Ceremonial, including the election of officers. Officers who are now serving are: Ben E. Douglas, Royal Vizier, Charlotte; J. Wallace Smith, Grand Emir, Charlotte; A. E. Stewart, Sheik, Charlotte; Edgar W. Pharr, Mahedi, Charlotte; Scott Gibson, Secretary, Charlotte; J. Arthur Eagle, treasurer, Charlotte; T. J. Maupin, Satrap, Salisbury; W. T. Rowland, Sahib, Char-

The business session will begin promptly at 2:30 p. m. It will be recalled by all members of Suez Temple that until the 1926 Fall Ceremonial there never had been an annual business sesion held on the anniversary day. There was such an appeal made last year by the out-of-Charlotte members for the annual business session on this Day until a vote of the Temple was called for, this resulting the consolidation of these two important annual meetings.

This year there will probably be as much as a fifty per cent. increase in atendance at the business meeting. There seems to be greater interest at schools of the city beginning Thursthis time in the big day than is orday morning. Mrs. E. F. White, Jr., dinarily manifested at this stage of the game. Committees sent from the Temple to visit the Pythian Lodges within the oasis of Suez have reported very great enthusiasm on the part of the Dokies in their Pythian Lodges. The necesity of the Officers of the Temple Keeping in direct contact with the parent order is being stressed more and more each year. Bearing in mind that only a Knight of Pythias can make application to the Temple for membership, one is lead to understand the importance of mutual port that Duke alumni 'there want interest and activity. A real live and enthusiastic Dokie should indicate a useful Pythian and on the other hand a faithful Knight is without doubt the probably will demand at an alumni man who can best serve the Temple.

Suez Temple will at this Ceremon ial, as is its custom, come together for a grand dinner and general memberto-member social.

Dokies from the various Cities over the territory have from time to time aided the Officers of the Temple, giving ideas which are incorporated entirely or partially into the program for the Ceremonial Day. A great deal of work is yet to be done in order that there may be a class of Tyros sufficient to satisfy the Royal Beast. Every Dokie should be on his toes for Fresh Meat.

The Divan of the Temple is having a meeting Monday at one o'clock at Efird's dining room for the purpose of checking up on the committees. The uaves are meeting every Monday night in Castle Hall completing their work for the final Day. Following is the program for Thurs-

The generator, oiling system, steering gear and real axle are of new Ford design, it is announced. And its 40-horsepower engine has been so designed that it-runs 20 to 30 miles an

hour on a gallon of gasoline. This car, which is to succeed the famous Model T line, will be shown on Friday by Ford dealers in many of the larger cities of the country. In Concord photographs and descriptive charts of the new cars wil be on display at Reid Motor Co., showrooms, where the public will be given the complete story of the first new Ford car. Later various models of the new Ford line will be on display here.

So far the new cars have been examined only by those who will have charge of the first showings and demonstrations. Salesman and demonstrators are studying charts and diagrams which will be used in explaining the various details of design, appearance and performance.

For months factory models of the new car have been undergoing severe performance tests in and around Detroit. One of these factory models recently made a road run of 120 miles in 124 minutes. This run, it is said, was made on an ordinary paved highway near Detroit.
