**LIVER COMPLAINT.**  
The only remedy ever offered to the public that has never failed to cure, when directions are followed, is McLANE'S Liver Pills. It has been several years in the hands of the public, and has been introduced in all sections of the Union. Where it has been used, it has had the most triumphant success, and has actually driven out of use all other medicines. It has been tried under all the different phases of Hepatic, and has been found equally efficacious in all.

Purchasers will please be careful to look for DR. McLANE'S CELEBRATED VERMIFUGE, and take none else. All other Vermifuges, in comparison, are worthless. Dr. McLANE'S genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable Drug Stores in the United States and Canada.

**PROSPECTUS OF THE LEXINGTON & YADKIN FLAG.**  
Having engaged the services of James A. Long as Editor, I have commenced the publication, in the town of Lexington, of a weekly paper, called the Lexington and Yadkin Flag. The Flag will be devoted to Politics, Science, Literature, Agriculture, and to the Mechanical and Manufacturing interests of the country.—And although being principally devoted to the dissemination of truth, yet its columns will always be open to all parties for a free and fair discussion of their particular errors; it being the object and design of the publisher to correct error and to disseminate truth. The Flag will also advocate the doctrine that native born American Citizens CAN, SHOULD and WILL govern America, and that it should be a fundamental principle of all true American patriots, that while they are prompt and firm to resist any and every unauthorized encroachment upon their rights, they will respect and be careful not to encroach upon the rights and privileges of other nations, however weak and insignificant.

Lessons will be given to Ladies and Gentlemen at their private residences, if desired.

The attention of Ladies desiring instruction is especially called to the fact that Music CAN be learned at home, as well as at distant Seminaries and Colleges.
