[Des Moines Iowa State Register.]

We notice the following in an exchange: Mr. G. B. Haverer, Foreman N. Y. & N. H. S. B. Co., suffered for eight days with terrible pain in the back, almost to distraction, until he heard of and used St. Jacobs Oil, one bottle of which cured him completely.

It is with feelings of real sorrow that we this week chronicle the death of that very worthy and highly esteemed lady, Mrs. Mary Ellen Nelson, the ever faithful and loving wife of Mr. Isaac H. Nelson, who died at her home in Winston on Monday of last week. Mrs. Nelson was raised at Germantown in this county. We know her well, almost from her infancy to the time of her death, and so far as our knowledge extends, it may truly be said of her that "none knew her but to love," if she had an enemy we never knew it. Mrs. Nelson leaves a husband, two children and two sisters, in addition to many warm friends and relations to mourn her loss, her own brother having died but a few weeks previous. She is gone, but the hope that she is happy with the "blessed made perfect," should console us in that grief which we feel, but can never express.

The best gift to give to your enemy is forgiveness; to your opponent, tolerance; to a friend, your heart; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself respect, to all men, charity, and to the sick, Simmons' Liver Regulator. I found it excellent for sour stomach, indigestion, dizziness and headache. A. J. ADKINS.

WHAT AILS YOU?—Is it a disordered liver giving you a yellow skin or costive bowels; which have resulted in distressing piles or do your kidneys refuse to perform their functions? If so, your system will soon be clogged with poisons. Take a few doses of Kidney-Wort and you'll feel like a new man—nature will throw off every impediment and each organ will be ready for duty. Druggists sell both the dry and liquid.—Evansville Tribune.

Buy your Dry Goods and Notions from the Wholesale House of J. W. SCOTT & Co., Greensboro' N. C., and save Freight, Boxing and Drayage. They guarantee all goods to be as represented. Nov. 3rd, 1881.

Parties wishing to buy Drugs from a reliable firm, will do well to call on Messrs. Gray & Martin Winston, N. C. Wat. will wait on you with pleasure and fill your prescriptions with accuracy.

We have on hand 60 or 80 pieces of leather tanned for different parties, persons having left hides with us 12 or 18 months since to be tanned on shares will please call and get their leather. Pepper & Son.

If You Are Sick, Read the Kidney-Wort advertisement in another column, and it will explain to you the rational method of getting well. Kidney-Wort will save you more doctor's bills than any other medicine known. Acting with specific energy on the kidneys and liver, it cures the worst diseases caused by their derangement. Use it at once. In dry and liquid form. Either is equally efficient, the liquid is the easiest, but the dry is the most economical.—Interior.

PAINTS AND OILS.—Lewis White Lead, "Tip-Top" the best colors in the market. Varnishes, &c. at Gray & Martins, Drug Store, Winston N. C.

[Springfield (Mass.) Republican.] Edgar T. Page, Esq., Druggist, writes us from Chisopee Falls, that Mr. Albert Guenther, under "Wilds Hotel" has used that remarkable remedy, St. Jacobs Oil, for a severe case of rheumatism and it cured him, as if by magic. He also used it with great success among his horses, in cases of sprains, sores etc. and it cures every time.

The North Carolina Conference of the M. E. Church which was held in Durham last week, has adjourned, and the many warm friends of Rev. P. L. Groom will be pleased to hear of his return to this circuit the ensuing year. May his labors be crowned with much success.

LANTERN'S LANTERN'S.—At Gray & Martins, Winston, N. C.

The jury of inquest held over the body of Rhea Moore col' in the northwest part of the county, which was briefly mentioned in our last, rendered a verdict that she came to her death from natural cause. It is astonishing how the colored race can under certain circumstances add to reports, and make small things look like mountain ranges, there was no real ground the calling of this jury, but after the circulation of the wild reports that had gotten out in that neighborhood the people of that section would never have been satisfied had the inquest not been held.

A practical stock grower advises his brother farmers not to be in a hurry to destroy any animal that may break a leg, for by means of plaster of Paris and some bagging strips, the limb may be set and supported until the fractured bone unites again. His plan has been, both with calves and sheep, to wind the strips and bagging about the broken limb, plaster over with calcined plaster mixed to a thin paste, wind another over that and apply more plaster, the leg being fastened to splints of wood until the plaster sets. The animal will limp around for a few days on three legs, but recovers without blemish.

Humbugged Again.

I saw so much said about the merits of Hop Bitters, and my wife who was always doctoring, and never well, teased me so urgently to get her some I concluded to be humbugged again; and I am glad I did, for in less than two months use of the Bitters my wife was cured and has remained so for eighteen months since. I like such humbugging.—H. T. St. Paul.—Pioneer Press.

In several parts of Virginia the seed wheat, after sprouting, died for lack of moisture. This made it necessary for the farmers to sow again, which puts them to double expense.

What is believed to be the greatest political trial in the history of Russia will take place early in November. Some forty of the most prominent Nihilists now under arrest will be tried, chief among whom is Trizonal. He and some others of the prisoners have figured, prominently in all of the recent plots of the revolutionists, and he and his immediate confederates were actively concerned in the plot which culminated in the assassination of Alexander II. The trial will be conducted in profound secrecy, and the world will only know of the main result when sentence has been pronounced upon them. The Russian revolutionists are very busy in their movements about the empire, which forebodes some evil stroke.
