A WORLD TO MOTHERS.—Mothers should remember it is a most important duty at this season to look after the health of their families and cleanse the malaria and impurities from their systems, and that nothing will tone up the stomach and liver, regulate the bowels and purify the blood so perfectly as Parker's Ginger Tonic advertised in our columns.—Post. To Advertiser.

The REPORTER AND POST offers the following inducements to advertisers who may wish to reach the people of Middle and Western North Carolina, and other sections:

1. It goes to nearly every State in the Union, circulates to a considerable extent in Surry, Forsythe and Rockingham counties, in this State, as well as the adjoining counties in Virginia, while its circulation among the 16,000 of Stokes county's population, is nearly as great as that of all other weeklies combined.

2. It is in a prosperous condition and growing in favor, its circulation today being greater than at any time since the first number was issued more than ten years since, and has nearly doubled without the last two years.

3. The rates offered by the REPORTER AND POST to advertisers are as low as are offered by any paper with a circulation as large as its own.

You should therefore provide yourself with the very best Plows, Mowers, Reapers, Rakes, Grain Drills, Harrows, Cane Mills, Thrashers &c &c. Mess Allen & Allen of Winston, N. C. make a specialty of improved agricultural implements and Machinery, and are anxious to open correspondence with parties contemplating the purchase of anything in that line and it will pay you to get their prices before buying elsewhere.

Rev. Father Wilds' EXPERIENCE.

The Rev. Z. P. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows: "28 E. 5th St., New York, May 16, 1882. Messrs. J. C. Ayer & Co., Lowell, Mass. Last winter I was troubled with a most uncomfortable itching humor affecting more especially my limbs, which itched so intolerably at night, and burned so intensely, that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and catarrhal cough; my appetite was poor, and my system a good deal run down. Knowing the value of Ayer's Sarsaparilla, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorder. My appetite improved almost from the first dose. After a short time the fever and itching were allayed, and all signs of irritation of the skin disappeared. My catarrh and cough were also cured by the same means. I place these facts at your service, hoping their publication may be of good benefit to others. Yours respectfully, Z. P. WILDS."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrofulous Diseases, Eruptions of the Skin, Rheumatism, Catarrh, General Debility, and all disorders resulting from poor or corrupted blood, and a low state of the system.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; price \$1, six bottles for \$5.

AYER'S CATHARTIC PILLS. Best Purgative Medicine. Cure Constipation, Indigestion, Headache, and all Bilious Disorders. Sold everywhere. Always reliable.

TO THE PUBLIC.

The Code of North Carolina, section 3811, requires all persons using weights, measures, scales, and balances in buying or selling, and all dealers using weights and measures, at least once in ten years to bring forward their measures and weights for adjustment. It is now ready at my office in Danbury to adjust and examine all weights and measures and balances, and advise all persons to bring them in, and thus save cost—persons failing to comply with the above law forfeit fifty dollars. Geo. E. Nissen & Co., Salem, N. C.

THE REASONS WE CAN AND DO MAKE THE BEST WAGONS ARE: We keep a very large stock of seasoned lumber, sawing most of it on our own mills, and using only the best for wagons; the iron is made especially for us by the best works in Pennsylvania; the workmen have had many years' experience; then it being a settled fact that we make the best, we can make it cheaper than any one else, quality considered. Our advantages are saving the lumber ourselves, buying iron, paint, varnish, &c., mostly by the car load at bottom cash prices. We are manufacturers' agents for the best Plumb Skin made, being of best wrought steel, perfectly welded, and cannot break. We make the only brake on running gear that is worth hauling. Write for prices. Every wagon bearing our name is fully warranted.

T. J. BROWN. BROWN'S Winstons. The Farmers' Hea. FOR FINE TOBACCO

TO OUR FRIENDS AND THE PUBLIC GENERALLY: It is hardly necessary to call your attention to this old and well-known house—since for more than ten years, both in quality of tobacco sold, and in highest prices—yet as each year gives some new idea of adding to your comfort and convenience, we call your attention to our STORAGE ROOMS, one in the basement for 17 tobacco, the other the second floor of a large factory connected by platform for tobacco in good or soft order. We keep your tobacco in this way locked up so it cannot be broken or damaged. All tobacco is kept fully insured. Have made a large addition to our STALL ROOM, and have also a large dry lot convenient. Our lot is now well paved with rock. Give our personal attention to the unloading of all tobacco, and every parcel has close attention during sale by MAJ. BROWN, we offer you the best auctioneer on this or any market.—Don't fail to try him with your fine leaf, and you will enjoy it as well as be pleased with prices. Your tobacco will all be together in one row, and when last lot is sold your check will be ready. We cannot visit you in person, but must remain at our post that your interest may not suffer in our absence. We guarantee good handling and highest prices.
