No fear of small pox if Darby's Hyphyllactic Fluid is used freely. It destroys the very germs.

A WORD TO MOTHERS.—Mothers should remember it is the most important duty at this season to look after the health of their families and clean the malaria and impurities from their systems, and that nothing will tone up the stomach and liver, regulate the bowels and purify the blood so perfectly as Parker's Ginger Tonic advertised in our columns.—Post.

A WOMAN'S EXPERIENCE.—Mothers and Daughters should feel alarmed when weariness constantly oppresses them. If I am fretful from exhaustion of vital powers and the color is fading from my face, Parker's Ginger Tonic, gives quick relief. It builds me up and drives away pain with wonderful certainty.—Buffalo Lady.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years. It has indisputably proven itself the very best known specific for all colds, coughs, and pulmonary complaints.

The Reporter and Post offers the following inducements to advertisers who may wish to reach the people of Middle and Western North Carolina, and other sections:

1. It goes to nearly every State in the Union, circulates to a considerable extent in Surry, Forsyth and Rockingham counties, in this State, as well as the adjoining counties in Virginia, while its circulation among the 16,000 of Stokes county's population, is nearly as great as that of all other weeklies combined.

2. It is in a prosperous condition and growing in favor, its circulation today being greater than at any time since the first number was issued more than ten years since, and has nearly doubled without the last two years.

3. The rates offered by the Reporter and Post to advertisers are as low as are offered by any paper with a circulation as large as its own.

IMPROVED AGRICULTURAL IMPLEMENTS AND MACHINERY.—In our day of progress and advanced ideas, to succeed at all you must keep pace with the times. To do this, advantage must be taken of the latest and most improved implements and machinery, it being fully demonstrated that the farmer doing so, gets far ahead of his neighbor, who fails to keep up with the times. You should therefore provide yourself with the very best Plows, Mowers, Reapers, Rakes, Grain Drills Harrows, Cane Mills, Thrashers &c. Mess Allen & Allen of Winston, N. C. make a specialty of improved agricultural implements and machinery, and are anxious to open correspondence with parties contemplating the purchase of anything in that line and it will pay you to get their prices before buying elsewhere.

Rev. Father Wilds' EXPERIENCE.

The Rev. F. Wilds, well-known city missionary in New York, and brother of the late eminent Judge Wilds, of the Massachusetts Supreme Court, writes as follows: "I was afflicted with a most uncomfortable itching humor affecting my face, neck, arms, and hands, which I had so tolerably at night, and learned so miserably that I could scarcely bear any clothing over them. I was also a sufferer from a severe catarrh and irritation of the eye, and my appetite was poor, and my system a good deal run down. Knowing the value of AYER'S SARSAPARILLA, by observation of many other cases, and from personal use in former years, I began taking it for the above-named disorders. My appetite improved almost from the first dose. After a month I was free from the fever and itching humors, and all signs of irritation of the eye disappeared. My catarrh and cough were also cured by the same means, and my general health greatly improved, and it is now excellent. I feel a hundred per cent stronger, and I attribute these results to the use of AYER'S SARSAPARILLA. I recommend it with all confidence as the best blood medicine ever devised. I took it in small doses three times a day, and used, in all, less than two bottles. I place these facts at your service, hoping our publication may do good."

The above instance is but one of the many constantly coming to our notice, which prove the perfect adaptability of AYER'S SARSAPARILLA to the cure of all diseases arising from impure or impoverished blood, and a weakened vitality.

Ayer's Sarsaparilla cleanses, enriches, and strengthens the blood, stimulates the action of the stomach and bowels, and thereby enables the system to resist and overcome the attacks of all Scrophulous Diseases, Eruptions of the Skin, Rheumatism, General Debility, and all disorders resulting from poor or corrupted blood and a low state of the system.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; price \$1, six bottles for \$5.

The celebrated J. P. Nissen Wagon, made by

GEO. E. NISSEN & Co., Salem, N. C.

THE REASONS WE CAN AND DO MAKE THE BEST WAGONS ARE: We keep a very large stock of seasoned lumber, sawing most of it on our own mill, and using only the best for wagons; the iron is made especially for us by the best works in Pennsylvania; the workmen have had many years experience; then it being a settled fact that we make the best, we can make it cheaper than any one else, quality considered. Our advantages are saving the lumber ourselves, buying iron, paint, varnish, &c., mostly by the car load at bottom cash prices. We are manufacturers' agents for the best Thimble Stein made, being of best wrought steel, perfectly welded, and cannot break. We make the only brake on running gear that is worth hauling. Write for prices. Every wagon bearing our name is fully warranted. GEO. E. NISSEN & Co., Manufacturers, SALEM, N. C. P. S.—We will keep a good assortment of Wagons in the warehouse in rear of J. E. Gilmore, and he will attend to selling them in our absence. ap1885
