FRUIT RAISING.

The publications of the day give ma ny interesting statements of the successful cultivation of large and small fruits, but eften leave out some essentiai part.

ter speaking of the advantages of the are just making a living, others losing movey and becoming discouraged with low prices. We hear, indeed, about the successful cultivator who produces 6.

000 to 8,000 quarts of berries to the acre and sells them for fifteen cents. a quart, while nothing is said of the ninety and uine just men, who raise 2,000 to be instituted in the product of quarts and sell them for five cents. But at present I advise those who are established in the business to hold on; cultigate fewer acres, give better care to what they have and let new beginners not begin." These remarks apply to those who raise fruits for market; they can have no retarding effect on such as provide an abundant supply for their

Irving D. Cook, of Gennessee county, stated, in his last report last report to the Western New York Horticultural Society, a successful instance of frun raising for home use and for neighborhood marketing. J. F. Roee, of that county, raised on a portion of his viltourths of an acre, crops of currants, grapes, pears, berries and other fruits, which he sold for \$78, besides what was given to his neighbors, and for supplying his own family, while many of his grapevines have not yet come into bearing, and he received premums for his fruit at the county fair amounting to \$16. He depends much on the bonedust and ashes and good managen.ent. Mr. t'ook's advice to his heavers was, "Go and do likew se." -- Country Gentlman.

We say, not only that the country ha ever been se prosperous and labor has never been so contented as under low tariffs, but that low tariffs have been the only tariffs with which the people have been entirely contented and have have been entirely contented and have nut asked for a change. We say, further, thal if there were danger from a low tariff at all in the present case, the amount of reduction under the Mills that territory to be affected thereby.

Resolved, That the Democratic party is opposed to any further extension of the "No-fence" law, unless such extension shall have first been authorized by majority of the qualified voters within amount of reduction under the Mills the territory to be affected thereby.

Resolved, That the Democratic party is opposed to any further extension of the "No-fence" law, unless such extension of families was fought on the 15th inst. at Cannos, France. Pistols were used, and rules, of the code were strictly obeyed. One of the ladies was wounded in the chest and the other in the arm.

groes from the Republican ranks in upon all. Hardin county,, Illinois

NORTH CAROLINA DEMOCRA-CY.

PLATFORM OF PARTY ADOPTED IN STATE CONVENTION AT RAL-

EIGH, MAY, 1888. We again condgratulate the people of North Carolina on the continued enjoy-ment of peace, good government and general prosperity under Democratic general prosperity under Democratic administration of the State which has now been unbroken for so many years; upon the just and impartial enforcement of the law, upon the increasing efficiency of our common school system, and the progress made in populity contained the interests of agriculture, and that in so doing we will most effectually advance the interests of mechanics, manufacturers and laborers.

Resolved, That the Democracy of North Carolina, cord ally approve the administration of Hon. Alfred M. Scales as honest, patriotic and conservative. Resolved, That the administration of Hon. Alfred M. Scales as honest, patriotic and conservative. Resolved, That the ability, wisdom, honesty, patriotism, independence, faithfulness to duty and manly courage of President Cleveland have won the admiration of all good men; and the interests of the country demand his re-nomination and re-election.

"I FORGOT."

strawberry crop, stating that twenty-city acres of the land were purchased to ury. That any system of taxation which

had wide experience in fruit raising, af-ter speaking of the advantages of the present day—the railways, narross rates on luxuries and the lowest on the necessaries of life, distribute as equally do the think forgotten. He soon cured as possible the unavoidable burdens of

think. Did you ever hear a little boy to be justified in times of peace; as a grievous burden to our people and a source of annoyance in its practical operations. We call the attention of the people of the State to the hypocritical pretensins of the Republican party in their platforms that they are in favor of the acceptance of the capsea of the acceptance of the capsea of the

that we favor the education of the people, and we will promote and improve the present educational advantages so far as it can be done without burdening the like a man, but it was very different from the KNEW THE BEST PLACE.

mg one government and ours a national party, we denounce the efforts of the Republicans to force sectional issues in Congress and elsewhere, and to promote dissention and ill will between the psotic trusts ever devised have come to

on country.

Resolved, That it is due to the peonment shall be maintained.

alarm him is purely political, and he will do well to remember the fact both for "pools" erer grown up under laws enhis own confort and that he may not be acted by it. The contest in this countries of the policy here are the policy here. his own comfort and that he may not be moved to vote against his convictions by a mistaken idea of self-interest.—Boston Herald, Ind., Rep.

There is n noticable desertion of negroes from the Republican ranks in the service of the

most heavily upon the laborer, it is the duty of the legislator, as a direct benefit to the workingman, to keep the expenses of our public institutions at the lowest limit consistent with wise and efficient management. The Denocratic party opposes any competition between free and convict labor, but it insists that convicts shall not remain idle at the expense of honest labor.

Resolved, that ours being an agricultural State, it is our duty as well as our

tural State, it is our duty as well as our pleasure to promote any and all legisla-tion that is best calculated to advance

herotore enunciated in the platforms of the party, it is hereby

Resolved, That no government has the right to burden its people with taxes bevond the amount required to pay its necessary expenses and gradually extinguish its public debt; and that whenever. the revenues, however derived, exceed this amount, they should be reduced the same of the same o makes you forget ? It is the want of at_ strawberry erop, stating that twentyfive acres of the land were purchased to begin with. Italf an acre was then set out with strawberries with some additional plantings. This patch then bere tional plantings. This patch then bere was the set of \$270 by the government on each \$1,000 of its bonds, taken up with the millions that would otherwise lie idle in its value, and paid to bondholders who who she calls him off, and he is so busy with his play that he only half attends to what she is saying; and value, and paid to bondholders who before he has got to the store he has out with strawerries with some additional plantings. This patch then berein immense crop," so much fixer in immense crop," so much fixer in quality than others, that all sold athigh prices, although the market was already overstocked with common frait. More were planted, and "the six hundred bushels which were marketed brought four dollars a bushel," while others sold at two. This is quite an interesting statement, but it does not inform as how much land the six hundred bushels grew on, what the expense and profits were, nor briefly, what the improved treatment was which produced stem satisfactory results. We desire distinctness.

J. H. Hale, of Connecticut, who has had wide experience le fruit raising, afvery busy with his work, and when he went out in the morning and when his present day—the railways, narmess to towns, home markets, cheap conveyances, etc., says: "Yet with all these advantages none of us are getting rich. Some tages none of us are getting rich. Some should be such as will place the highest should

PICK!NGS

From the Wilmington Star.

The surplus for the year, in spite of

big appropriations, is \$70,000,000 The Democratic headquarters in Mew York profess to have continued

cheering news. The New York Herald's Jacksonville letter of Saturday represents the

condition of things as better. Senator Evarts had eigars and

champaigne for the festive Senators who met at his house for Tariff jaw. It is a growing sentiment amoun the white people or North Carolina, that Dockery is the biggest demagague that

ever canvassed the State. We hear nothing now of Blanne's bad health. He is looking forward to the Presidency yet-in 1802—we have no doubt. Mr. Clay was always think-

ing of it and so with his imitator. Johnny Wise has been thrashed out in Virginia and will live in New York. Can the old State get along without Johnny? But suppose he take little

Billie with him South Carolina has had a prfitable crop in her melons. The aggregate shipments were 800,000 against 100,-000 melons last year. The prices rang-

ed from \$85 te \$125 per thousand. Miss Winnie Davis, the youngest daughter of ex-President Davis-venerable end illustrious name_is visiting Bar Harbor, Maine, and is the guest of the wife of the owner of the New York Horld.

We are glad to see it given out from Washington that there is not much prospect of the Republican Tariff bill passing the Senate. There is not entire harmony among the Republican Tariff bill passing the Senate. There is not entire harmony among the the entire harmony among the Republican Senstors. A split among them means good to the country.

The Now York Herald says that the colored voters of New York are for the most gart lost to the Republicans. It says they arestrue to Cleveland and like his Democracy better than they like Harri-on's Republicanism. News all along the line is favorable for the Dem-

ocratic ticket. The Kepublican managers are se mad as hornets. They will spare no effecte (Boodle included) to defeat all prominent Tariff reformers in the . House. Chair Mills will be specially simed at, and money will be lavishly spent in his District. The Democrats are not half ys much in caanest as they should be. WILLING TO BE EASY ON HER There ie a want of enthusia un thus far in all of the States.

> 76." Railroad managers should take due notice and govern themselves accordingly. Dr. II. F. Campbell has correct views of a "strict quarantipe It is the total exclusion of all care and baggage. He says;

"Never let o single car come to healthy town that is freighted or takes passengers in an infected port-let them be met et least twenty miles from the city by fresh cars for both the passengers and the freight."

Let the authorities of Wilmington take due notice and have "a strict quarantine" in the true, scientific sense.
