RESULT OF THE ELECTION.

We shall try to give a synopsis of the vote at the National and State election...

CAN IT BE SO?

It seems the prediction of some Democrats that Blaine is to be appointed Secretary of State...

IN AN ARTICLE on Lord Sackville, erstwhile the Hon. Sir Lionel S. Sackville West...

It is a singular coincidence that two lineal descendants of Presidents John Quincy Adams and Benjamin H. Harrison...

It is a singular coincidence that two lineal descendants of Presidents John Quincy Adams and Benjamin H. Harrison...

that two Presidents of the United States should have been defeated for re-election...

IS CRIME INCREASING?

We have been of the opinion that crime has become alarmingly rampant but whether it is increasing beyond the ratio...

CLEVELAND'S DEFEAT.

COMMENTS BY DEMOCRATIC AND REPUBLICAN PAPERS.

Boston Herald: So far as the Democratic party is concerned, it cannot give up the contest upon which it has entered.

New York World: Only a trimmer or a traitor would advise the Democratic party to abandon its attempt to reduce the war tariff because it has failed to re-elect its President.

Lynchburg Virginian: Tuesday's result amounts to this: That nearly 6,000,000 white Democratic voters were outvoted by considerably less than 6,000,000 Republican voters...

Philadelphia Record: We do not abate one jot or tittle of our faith in the efficiency of the policy of the Tariff Reform as the proper means of improving the condition of the country...

New York Sun: If Hill had not been the Democratic candidate for Governor, Cleveland would have been beaten by 30,000 votes worse than he is.

Baltimore Sun: It is not unlikely that the Fiftyth Congress will do little more than keep the tariff problem open, and leave it to Fifty-first Congress to solve.

Boston Globe: In the chief centres of thought and intelligence, where the people had the fullest information and voted with the greatest independence and discretion, the President's reform policy is sustained.

Washington Post: In the precipitation of the revenue reform issue upon the country at the time and in the manner he did—making it the sole and only issue—the President committed a serious mistake.

Philadelphia Ledger: That ill-advised, misguided message against the Protection principle in our tariff laws caused nearly all that mischief and danger, changing into an uncertain and almost desperate contest what should have been as nearly a walk-over for Mr. Cleveland...

New York World: Any talk about selling out of the National ticket by Tammany Hall is not only unjust but is a willful and deliberate misrepresentation.

Philadelphia Times: Cleveland's four years of public trust will go into history unstained by either the crimes of the jobbers or the waste of the profligate.

Springfield Republican: The country has lost the best President it has had for many years. It has lost him when his work was but half done.
