PLANTERS' WAREHOUSE,

PINNACLE, N. C.

A FEW WORDS TO THE FARMERS:

Read and consider your best interest. Our house is large, well lighted, good basement, good stalls, and every accommodation that heart can wish. When you come with your tobacco to our market, and the best of all we guarantee the highest market price. As a proof of this it is a difficult matter to keep leaf dealers from other markets any length of time from the fact they claim that they can buy the same grades of tobacco much cheaper on a larger market. So, gentlemen, if you can do as well or better on a side market, a home market, why not patronize it. So bring on your bright tobacco. First sales to begin the 9th day of November, 1894. Sell only on Tuesday, Thursday and Saturday at one o'clock, p. m. until Christmas. After Christmas every day.

Yours Truly, BENNETT & BOYLES.

The title to this land is good beyond question as will be shown by abstract from the standard case thirty years ago. This land is a valuable addition to the property of the heirs at law with white oak, poplar, pine, and other growth, will produce corn, wheat and oats, well, and make among the most fertile farms in the county for growing the finest quality leaf tobacco. The land is four miles north west from Danbury in a good neighborhood.
