VADE MECUM.

Vade Mecum, May 7.

The people are still leaving old Stokes and going to the public works. I guess they will keep it up as the frost has killed a bigger part of the tobacco plants and those who are left behind will get done planting corn this week.

Mr. W. J. Campbell happened to the misfortune of losing his cow last week. She was worth about \$40.

Mr. R. F. Shelton went to Winston-Salem last week to purchase a new Nissen wagon. He will be ready to haul tobacco quite early.

Mr. W. L. Hall purchased a large bill of goods of the wholesale men of Winston last week. He has opened up a new enterprise in our section and is doing a good business.

Mr. R. M. Brown and his best girl took a flying trip to Union Hill last Sunday where they enjoyed a good sermon delivered by Rev. J. E. Simmons at 11 o'clock. Mr. Simmons also filled his appointment at Capella school house at 3 p. m. where he addressed quite a large crowd.

Mr. Jimmie Roe Boyd will teach a singing school near this place in a few weeks. All neighborhoods ought to learn to sing well.

QUAKER.

Death Of Miss Mattie Holland—J. Walter Tuttle to Remove.

Quaker, May 7.

Miss Mattie Holland died Thursday May 5th, and was buried near Pine Log school house Friday. A large crowd there assembled. She was a member of Friendship church and a student at Union Hill Sunday school, until that over-bearing disease took hold of her helpless body. Which after a few months caused her death. She was a kind friend and a faithful scholar and will be greatly missed by her many friends.

We are having a good Sunday School at Union Hill. Both young and old are getting interested in the glorious work but there is a lot that don't go that could.

Mr. J. Walter Tuttle, of Friendship, bought nearly all of the land of John Wesley Wall, deceased, which he is aiming to move to in the near future and open up a large stock of goods at said John Wesley Wall's residence.

A SCHOLAR.

KING.

King, May 9.

Rev. J. A. Clark filled his regular appointment at Trinity church last Sunday. His sermon was enjoyed by all. His son, who is just back from Trinity College, was with him.

Misses Mary, Fannie, and Virginia Goff, visited in Winston recently.

Misses Ella and Mary Gordon visited at Mr. S. M. Goff's last Wednesday.

Mrs. Matilda Edwards lost a fine milch cow last week.

Mr. S. M. Goff has the nicest wheat growing that has been seen in our section.

Mr. J. T. Rutlage has gone to Winston with a load of tobacco.

Most of the fruit is killed in this section, we are sorry to say.

Mr. C. T. Ham is at home again after spending the winter in Winston.

Prof. W. A. Flynt's school is progressing nicely. He and his sister, Miss Fannie, are excellent teachers and deserve the patronage of the people. His good work is greatly appreciated.

JOHN SOUTHERN KILLED.

Citizen Of Rockingham Meets Death While Walking On Railroad.

An old man named John Southern, a highly respected citizen of Rockingham county, was killed Friday afternoon on the branch line of the Southern Railway about half way between Stokesdale and Madison.

The old man, who was over eighty years of age, was walking up the railroad track near Ellisboro station and being very deaf and near sighted, he failed to see or hear the fast approaching train, though he was meeting it.

He was struck by the pilot of the engine and hurled quite a distance, the body being horribly mangled. The remains were sent to Madison and taken in charge by friends of the unfortunate man, who had the body prepared for burial.

The deceased was an uncle of Mr. J. C. Flinn, merchant at Pine Hall.

LIME ROCK.

Lime Rock, May 4.

Mrs. Murphy Morefield and daughter returned home Monday from their pleasant visit which they made to the Association at Bassett, Va. Miss Della enjoyed herself well, we think she will go back before a great while.

Mr. George Priddy, who has been ill for some time, doesn't seem to get any better, we are sorry to note.

Miss Della's best fellow went to see her last Sunday P. M. and she was not at home.

Mr. Willie didn't seem to be as lively as usual this evening. Why, what's the matter Mr. Willie? It's because he didn't receive a letter from his little girl today.

Mr. Jno. Sands, who lives on Mr. J. Wesley Morefield's place, has got him a sewing machine.

It seems that measles are taking place in this neighborhood.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SOURWOOD SAPLIN.

Letter From Jno. Y. Phillips.

Dalton, May 7.

Editors Danbury Reporter:

In your account of the Democratic convention, at Danbury, I notice an error as to the votes cast for Glenn and for Steadman for Governor. You say that the delegates from Pinnacle and Boyles precincts took a vote, and that Pinnacle gave 2 1/2 votes for Glenn and 1/2 for Steadman, and that Boyles gave 2 3/4 for Glenn, and 1 1/4 for Steadman; and that those votes in the county convention would give Steadman only three-fifths of one vote in the State convention.

Now, the delegates from Pinnacle, Boyles and Wilson's Store precincts cast votes for Glenn and for Steadman for Governor, as follows: Pinnacle precinct 3 3/4 votes for Glenn and 1/2 for Steadman, Boyles 2 3/4 for Glenn and 1 1/4 for Steadman.

Wilson's Store precinct was entitled to 7 votes in the convention and was represented by 10 votes 3 of whom voted for Glenn and 7 for Steadman which would give 2 1-10 votes for Glenn and 4 9-10 for Steadman, at that precinct. So the 3 precincts that voted gave eight and one-tenth votes for Glenn, and six and nine tenths for Steadman.

Now, as the county in the county convention has 52 votes, and is entitled to 10 votes in the State convention, the six and nine-tenths votes received by Steadman in the county convention would give him one and one tenth votes in the State convention.

Hope you will make the correction.

Very respectfully,

JOHN Y. PHILLIPS.

[After the election of delegates, the convention passed a resolution to instruct for Glenn. The fact that Mr. Phillips protested that the vote of his township be counted and that no one protested for Wilson's Store precinct, accounts for the report which the Reporter gave of the matter, and which was correct.—Editor].

MEADOWS.

Meadows, May 10.
