A Scattered Family—Singing School At Union Hill.

Germantown, Route 1, July 24.—Mr. Andrew Voss will open a singing school at Union Hill church next Friday. We hope to have a good many students as Mr. Voss is an able singing master and we all need to learn to sing.

Miss Essie Newsom, of Newbern, is visiting her brother and sister, of Germantown Route 1, this week. She is the daughter of Mr. Sam Newsom, who died in Nebraska about 16 years ago and left a wife and 5 children. Mrs. Newsom came back to Stokes county and gave her children away. She gave one to Mr. Lark, of Newbern, one to Mr. Gene Idol, of King, (he moved to Ashe county), two to Mr. Sid Carroll, and one to Mr. John Tillotson, of King. They all soon parted. One is now in Georgia, one in Iowa, one in Newbern and the other two are in Stokes. Miss Essie doesn't remember seeing any of her people. Last Saturday was the first time she ever remembers seeing any of her brothers or sisters and they met each other with a glad heart. It certainly was a happy meeting. Miss Essie is now 16 years. She will spend about 3 months among her relatives and then return to Newbern. She is going from there to Wilmington where she will live in the future. We all wish her a happy visit.

A JOLLY GIRL.

MIZPAH ROUTE ONE.

Mizpah Route 1, July 23.
Mr. Editor:
Will you please allow me space to answer Sunday School Girl's questions. I don't think that the word eternity is used but once in the Bible, if so I haven't seen it. If this is not correct, will some one correct it. The verse is found in Isa. 57th chapt., and 15th verse.

Now I think you will find that the 119th Psalm is the longest chapt. in the Bible. It has 176 verses.

Now Sunday School Girl, you missed it on the chapter of the question I asked you. It is the 117 P. instead of 111. The rest was correct.

Now Sunday School Girl, you loaded your gun pretty heavy for a rover and you know that they don't have any time to read much but just let her go again, I won't dodge if you do hit me hard and maybe that will do us both good and others, too, as you know that others will read to see if we are correct.

Rev. Wilson filled his regular appointment at Friendship today. Large crowd out.

Mrs. Nannie Ferguson, of Spray, returned home today after spending two weeks with relatives in this county. We hope to see her again soon.

A large crowd from this section went to Mt. Olive this p. m. to preaching. We hope they had a nice time.

Crops are looking well in this section at present.

Wheat is turning out better than expected.

The writer went to Walnut Cove today. It seems that there is plenty of firewater down there, as you could see some that showed the effects of it a great deal and some large jugs. Now that looks bad; it would look much better for those boys to be in Sunday School.

Say, we were glad to see so many come out to defend the Sunday School, as Mr. Southern shot a pretty big gun at her. Now, Mr. Southern, I have lived where there were Sunday Schools and where there were not, where they did not know anything about them at all and what do we find in such places. We find young men drunk, fighting and gambling. Young women dancing and sorry to say we have seen them so drunk that it took two to carry them home and that is one of the worst things we have ever experienced.

Now, Sunday School Girl, will you please tell me what word is used most in the Bible and where the word boys is found and how many times it is used?

ROVING JOE.

Jesse Duncan Cuts His Foot—Sunday School at Mt. Gilead Progressing.

Sandy Ridge Route 1, July 24.—We are having lots of rain in our section these days. Corn and tobacco is looking well. I hope it may continue so.

The Sunday School at Mt. Gilead is progressing nicely. I think every boy and girl should go to Sunday School.

Threshing wheat is about done in this section. The yield was better than many expected.

Hurrah! for Mr. Walter Kington. He has a fine baby girl at his house.

Misses Sadie Flinchum and Emma Ball visited Miss Jettie Wilkins Saturday and Sunday.

Mr. Jesse Duncan cut his ankle right bad one day last week. We hear he is getting on nicely. Hope he may soon be out again.

They will start from here Tuesday night with full camping outfit. Besides the tent, the young men have engaged a cottage at Vade Mecum.

One night during their absence the young men expect to camp on Moore's Knob. Carrying both fishing tackle and hunting outfit, they will load the table with the result of their skill.
