

THE NEWS AT GERMANTON.

Mr. David White Returns to His Home—Other Matters.

Germanton, Dec. 12.—The good Christmas season will soon be here.

Just one more week of school. I wonder how many of the teachers are going to treat the children this year?

Mr. N. O. Tuttle returned to his home last Friday. Mr. Tuttle has been in Illinois for the last year.

Mr. Harry N. Petree, who has been spending a few months in Roanoke, Va., has returned home for the Christmas holidays.

Mr. Bob Crews, one of Germanton's bright young men, has accepted a position with a firm in New York City. Mr. Crews is a son of Mrs. J. E. Crews, of Germanton. Mrs. Crews has two sons in New York now. Mr. Ed is in the dying business.

Mr. W. D. Browden has moved into the beautiful home he purchased from Mr. Chaffin.

We are glad to learn that Mr. David White has returned to his home. Mr. White seems to be entirely recovered now. We are glad to welcome him back to his kindred and friends.

LOOKER ON.

Jewelry Going At a Big Sacrifice.

The attention of those who expect to purchase any Christmas presents or any articles carried in a jewelry store is invited to the ad of Brown, the well known Winston jeweler. His store will be torn away and rebuilt first of the year and owing to this fact he is selling jewelry at a great sacrifice.

New Firm Doing Good Business.

Chas. M. Phelps & Co., Winston's new clothing firm, take a nice space in the Reporter this week. The proprietors are clever and hustling business men as is shown by the large business they have already built up. Mr. J. W. Rierson, a former Stokes boy, is with them and will take pleasure in showing you the stock. Drop in to see them when you are at Winston.

Get up that spare money you have about the house, and put it in the Bank of Stokes County where it will be safe from fire and thieves, and where it will pay you 4 per cent interest.

All Run Down

THIS is a common expression we hear on every side. Unless there is some organic trouble, the condition can doubtless be remedied. Your doctor is the best adviser. Do not dose yourself with all kinds of advertised remedies—get his opinion. More than likely you need a concentrated fat food to enrich your blood and tone up the system.

Scott's Emulsion of Cod Liver Oil

is just such a food in its best form. It will build up the weakened and wasted body when all other foods fail to nourish. If you are run down or emaciated, give it a trial: it cannot hurt you. It is essentially the best possible nourishment for delicate children and pale, anaemic girls. We will send you a sample free.

Be sure that this picture in the form of a label is on the wrapper of every bottle of Emulsion you buy.

KING, ROUTE 2.

King, Route 2, Dec. 11.—Mr. Therman Bennett, who has been very ill for some time with fever, at Winston, returned home Friday.

Mr. and Mrs. John Rierson, of Tobacoville, and Mr. and Mrs. William Moser, of Rural Hall, and Mrs. Janie Donnell and daughter, Miss Pearl, visited Mrs. Polly Moser, the past week.

Mr. Thomas Lawson calls at Mr. Warner's right often. Wonder what Mr. Kennedy will say about that?

Misses Lula Marshall and Lula Stone are talking of going to Winston to make that place their home. We hate to lose you girls, but hope you will have a good time in that fine city.

HAPPY HOOLIGAN.

TORTURE OF A PREACHER.

The story of the torture of Rev. O. D. Moore, pastor of the Baptist church, of Harpersville, N. Y., will interest you. He says: "I suffered agonies, because of a persistent cough, resulting from the grip. I had to sleep sitting up in bed. I tried many remedies, without relief, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which entirely cured my cough, and saved me from consumption." A grand cure for diseased conditions of Throat and Lungs. At all Druggists; price 50c. and \$1.00, guaranteed. Trial bottle free.

A Little Information.

This is to inform you that we have some rare bargains to offer, such as dry goods and notions ladies broad cloth and dress flannels, at exactly cost. These goods cannot now be bought at wholesale at the prices we offer them as you no doubt know that all cotton and woolen goods have advanced something, at least 30 per cent. This offer is good only for two weeks, so come on at once. Mr. L. W. Comer and J. H. Fulton will be glad to wait on you and treat you right.

IN MAD CHASE.

Millions rush in mad chase after health, from one extreme of indigestion to another, when, if they would only eat good food, and keep their bowels regular with Dr. King's New Life Pills, their troubles would all pass away. Prompt relief and quick cure for liver and stomach trouble. 25c at all druggists; guaranteed.

Why pay the expense of registering letters and buying post office money orders, when you can send money anywhere only at the cost of a 2 cent stamp by simply writing a check for the amount. The checks of the Bank of Stokes County are taken at par all over the United States.

A CONTEMPT CASE.

Judge Jones Threatened to Attach Rev. B. W. Mebane of Mt. Airy For Contempt of Court.

What some say came near developing a sensation was the criticism of Judge E. B. Jones at Dobson court by Rev. B. W. Mebane of Mt. Airy. Dr. Mebane is one of the most prominent ministers in the state and takes a firm stand for the right as he sees it. After the parties who were prosecuted for selling liquor in Mount Airy had either plead guilty or been convicted several citizens went before Judge Jones and told him the condition of Mt. Airy and of the reputation of the firms who were on trial. Dr. Mebane was one of these and he told His Honor that these men had the reputation of conducting their business so that it amounted to an open bar room, but kept their places more respectable than a bar room. The Judge rendered his decision and made the fine \$50.00 when he had during the week been threatening to send men to the roads who had violated the liquor law in a small way and had made the fine all the man could possibly pay. "Sized the pile" as he expressed it. When Dr. Mebane heard the sentence he was indignant, to say the least, and he freely expressed himself. He said the men should have been fined \$250.00 in each case and the fines at this rate would have amounted to as much as \$1,000 each; that the Judge's action was a travesty on justice and that the men who had prosecuted them for violating the law should feel grateful that His Honor did not put the prosecutors in jail for molesting a respectable bar room.

The Judge heard of the Doctors words and talked of attaching him for contempt.
