Kicked in the Jaw By a Mule.

Mr. J. W. Mabe, of Danbury Route one, was a visitor in town Monday. Mr. Mabe is suffering with a mule-kick, in the jaw, received while returning in a wagon from Winston last week. The mules became scared at the train. The blow was about spent, or it would most certainly have broken Mr. Mabe's jaw-bone.

Mr. Mabe is a fine tobacco raiser. He has averaged 12 1/2 on the total amount of tobacco which he has sold this season, some of it brought as high as 40 cents.

ONLY NINE MORE DAYS.

WHO WILL WIN THE HANDSOME PRIZES AND BE VOTED THE MOST POPULAR LADIES?—SOME HEROIC WORK LIKELY TO BE DONE WITHIN THE NEXT FEW DAYS—A SUGGESTION TO THOSE WHO WANT TO WIN BAD.

Only nine more days, and the great voting contest to determine who is the most popular lady not only in Stokes county, but among the many thousands of readers of the Reporter, will be over.

The premiums have arrived, and they are beauties. First, the splendid New Home Sewing Machine, which is fit to adorn any home, and a thing of joy and usefulness to any lady. This goes to the young lady who receives the highest number of votes. Second, the elegant parlor lamp, one of the prettiest ever shown in Stokes county, and which would grace the parlor of any home. This will be presented to the lady receiving the second largest vote. Third, the beautiful umbrella, with handle of pearl and gold, will be given to the young lady who receives the third highest vote.

Everybody is invited to call at the Reporter office and see the premiums. They are enough to make anyone work hard that his sweetheart, sister, daughter or friend may win them, to say nothing of the honor that goes along with them, and which is worth more than all.

ONE MORE ISSUE OF THE REPORTER BEFORE CONTEST CLOSES.

Remember that one more issue of the Reporter will be printed before the close of the contest. The paper will be printed on next Wednesday, December 28, in which the vote up to the hour of going to press will be given. But the voting will go on until sundown, Saturday, December 30, 1905, when the ballot box will be closed and the vote counted.

WHO WILL WIN ?

This is the question on every tongue now—who will win the Grand Premium ? At this writing it looks like the honor will lie between Miss Mertie Wall, of Meadows, and Miss Lettie Sue Brown, of Boxwood, but no one can tell now what turn the balloting will take. The friends of the candidates are working hard, and even some of the young ladies are canvassing for themselves, as to win will be an honor not to be despised by anybody.

If you have a friend anywhere, write to them at once, without delay, and tell them to send us a dollar by return mail and to cast their vote for Miss ——. One young man last week mailed over 200 letters on one mail to his friends, and the result was a flood tide of votes for the girl of his choice. If you are already paid up, you can pay as many years in advance as you wish, and every dollar paid counts twenty votes.

The parents or brothers of the contestants can well afford to pay a good sum out of their own own pockets from a business standpoint, to say nothing of the pleasure to the lady and the honor of winning, for the machine is worth \$50, the lamp \$5.50, and the umbrella \$5.00.

For the benefit of those concerned, the publishers would say that they would like to sell to anyone as many subscriptions as they would like, giving them a receipt for same. For instance, you could purchase 100 subscriptions, paying us \$100.00 for them. This would entitle you to 2,000 votes, which you could cast for the lady of your choice. We would then furnish you 100 cards, signed by the publishers of the Reporter, each card good for one year's subscription. You could then sell these cards easily getting \$1.00 a piece for them, and thus get back every cent of your money.

DEAFNESS CANNOT BE CURED.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.
