To the Tobacco Growers of Stokes and Adjoining Counties:

Martinsville, Va., Nov. 11, 1905. I take this method of informing you that Tobacco has taken a big jump in the Martinsville market. All grades are selling better, and it will pay every one of you to patronize this market. Our manufacturers have been card stating that they will pay more money for your tobacco here than elsewhere. They can afford to do this. Come to the store and see for yourself. All our factories are having a good crop of tobacco for the next year will beat all past records. Competition is here and you will be pleased with present prices. I confidently expect to see prices good on balance of this crop. The Banner Warehouse is the best equipped in the county for handling your tobacco. All my men are experienced and ready to serve you. My facilities for handling your tobacco are complete, and it will be my pleasure to look after every load of tobacco you send, and see that you get the highest market price. Remember first, when you come to Martinsville with your tobacco, our goal is to get you the best price; and second, unless you come to see me at the BANNER Warehouse, it will not benefit me, nor can I be of any service to you. With best wishes and trusting to have the pleasure of seeing you with your first load, I am, Your friend truly,

E. J. DAVIS Martinsville, Va.

An Idea For the Stokes County Merchant.

How would you like for your neighbors to go outside of the county to do their trading and spend their money, leaving you to look out for yourself? You would have to close your doors, wouldn't you? Then, observe the golden rule and do your business with your home bank, the Bank that helps you pay your taxes.
