## DODGE, GA.

Dodge, Ga., Feb. 5.

Mr. Editor:

Would you be so kind as to grant me space enough to put in a word or two.

I am very proud to say that I am a reader of the "Good Old Reporter." It brings good words of cheer every week. It has been almost three years since I had the pleasure of a weekly visit by the Reporter until Jan. 1906.

I see in the notes that I am not the only "Stokes Tarheel" away from home.

What puzzles me is how Bob Tail keeps so well posted on the happenings of Walnut Cove Route 5, when he resides in Roanoke, Va. Must be something of interest to him back in old Stokes.

I noticed in the issue of Jan. 18, where Mr. E. P. Newsom, of King, has returned home on a three-month's furlough. He must be in the U. S. Army. Tell us all about it, old sport.

Georgia has a record breaker on a mild winter this year, so far. The ground has been frozen only twice since last April.

There are some few cases of pneumonia reported in this section.

Will close as I want to stay on the good side of the editor.

Will come again.

REGULAR.

## "BILL KUGTY" WRITES.

### Offers a Few Words of Criticism In Regard to the Reporter's Correspondents.

Editor Reporter:

Having an idea that at least some of your correspondents would like to know what your readers think of them, and their letters in the Reporter, I will dare to say what I think of some of them. First, the most prolific is "Dog-Killer," a real good fellow, who has done more good than he knows. His agricultural articles are good and practical and have made and saved many dollars for those who have taken his advice. But his articles on other subjects, notably his replies to Timothy, are too long drawn out. A lot of talk but not much said and I fear Timothy will not write again. Though I am sure he could write interesting letters on other than as he contends—"the soulless negro."

"Mc," I believe, comes next to "Dog-Killer" in the number of letters written and his letters are good and readable, and we hope he practices all he preaches. If so, you ought to have him write a letter every week like "Plowboy" does for the Union Republican.

I hadn't thought of it but don't "Dog-Killer" remind you something of the Republicans "North Easter" in his ability to snow under an opponent.

What has become of two Batchelors? Both wrote readable letters. The Dillard Batchy was especially interesting and we want more letters from him even if you have to pay for them.

Where is Sunday School Teacher? Perhaps captured or cornered by one of the Batchelors. If so, she is somewhat excusable. But if not we would be glad for her to tell "Mc" what she thinks of his old fogy notions about dress and old time religion.

Has William, of Swinginglimb, gone West or has he got married? Why don't he write some more funny letters. Many subscribers enjoyed his wit and fun.

Your voting contest was very interesting and proved I guess profitable to you. Now can't you think up a scheme by which to increase the number of your correspondents who write good letters in stead of so many that tell of smiles, grins and glums.

Get your writers interested in each other and have them say what they think each others letters. It will do good.

Yours for fun,  
BILL KUGTY.

## A HEALING GOSPEL.

The Rev. J. C. Warren, pastor of Sharon Baptist Church, Belair, Ga., says of Electric Bitters: "It's a Godsend to mankind. It cured me of lame back, stiff joints, and complete physical collapse. I was so weak it took me half an hour to walk a mile. Two bottles of Electric Bitters have made me so strong I have just walked three miles in 50 minutes and feel like walking three more. It's made a new man of me." Greatest remedy for weakness and all Stomach, Liver and Kidney complaints. Sold under guarantee at all Drug stores. Price 50c.

CREDIT PRICES—Have you got money enough to raise your crop on? If not, borrow a small sum from the Bank of Stokes county and avoid paying credit prices for your supplies.

## Death of Mr. Jas. Highfill.

The subject of this sketch, Jas. Highfill, was born April 7th, 1825, died January 31st 1906, at his home in Summerfield, N. C., being 80 years, 2 months and 6 days old after an illness of seventeen days of lagrippe. He was a consistent member of the Missionary Baptist Church, and left great consolation to his family that he had gone to rest. He asked them all to meet him in heaven.

His funeral was preached by his pastor Rev. W. H. Wilson at the Baptist Church in Summerfield, Feb. 1st to a large congregation of sympathizing relatives and friends. His text being from Deut. 32: 11-12, also part of 13 Chapter of John. After which he was interred in the Baptist cemetery to await the resurrection of the just.

He was thrice married. His last wife, four sons, four daughters and seven grand children survive him with a large host of friends. His children all live in Summerfield except one daughter, who lives in Kernersville, and one son living near Madison. He leaves one half-brother, his other brothers and sisters having preceded him to the better world. He taught his children to live honest and truthful lives, all of whom are professing Christians.

Of course he will be missed. In his death there is a vacancy that can never be filled, but our loss however, is his gain. Let us strive to meet him there, where there will be no more separations. The family appreciated the kindness shown the deceased during his last illness, also the sympathy to the bereaved ones.

HIS SON.

## A Composition on Sincerity.

Who can say: "I am sincere?" I don't believe there is one sincere person in this whole sinful world. No not one. First, what does sincerity mean? Freedom from disguise. What girl or what boy never tried to deceive any one. Where is the girl who would not try to take her friend's beau from her if she had the slightest opportunity. You may think you have one true friend, whom you can confide in, but alas, that true friend has another true friend. There was never a girl that knew anything and kept it to herself. No, that is impossible for a girl to do. But, here, I (the writer) am a girl myself and I believe boys are just as fickle as girls. There is nothing I try harder to master than I try to be sincere, and I find that sincerity is the hardest thing to obtain of any thing else on the globe. Yet I know it is the most important point. Where is the girl who wouldn't fool a man if she could, and on the other hand where is the boy who wouldn't fool any girl he could? What lady ever got married and could say truthfully to her husband "No man I have ever seen, have I ever allowed to take any advantage whatever of me." Don't you think that man ought to be prouder of that wife than he would be of a lump of gold that size?

I wonder if the people who claim to be sanctified are all sincere, if so I want this sanctification more than all else. No, I don't believe there is any one in the land who won't deceive some times. If any one knows of such a person please let me know, I would like to shake her paw, and I'll say "She is an Angel, and not for this world."

SINCERITY.

## GERMANTON ROUTE 1.

I believe we are having as good school at Haw Pond as there is in the county. Everybody likes their teacher and likes to go very much.

There was a quilting at Mr. Jim Tedder's last Wednesday, which a large crowd of girls attended and all seemed to enjoy the occasion very much.

Choppings and burning plant beds is all the go now-a-days. We are certainly having some beautiful weather for work.

Haw Pond School played a baseball game against the Capella crowd last Saturday at Union Hill and Hawpond gained the victory, as they beat them 17 to 7. Hurrah for Haw Pond School.

We are very sorry indeed that we have no pastor to preach for us at Union Hill this year, but hope we will get one yet.
