Walnut Cove, Sept. 19.—Mrs. M. L. Neal, who has for the past year conducted the Cove Hotel, will remove to the eastern part of town the first of the coming month. ## Stolen Bride Brings Trouble.

Winston, Sept. 14. The Sentinel this afternoon prints a special from King, Stokes county, to the effect that about 12 o'clock Tuesday night Miss Gusta Fulk left her room at the home of her father and met her lover, Mr. Dalton Butner, of Tobaccoville, who was in waiting with a buggy. The couple drove to the home of a magistrate in Forsyth county and were married. Mr. R. G. Fulk, father of the bride, had a warrant issued for Mr. Butner, his son-in-law. The latter was cited to appear before Squire J. C. Newson at King and answer to the charge of abduction. After hearing the evidence the magistrate sent the defendant up to the Superior court on a bond of \$200, which he gave. Mr. Fulk says his daughter is under age and that several days ago he notified the Registers of Deeds of several different counties not to issue license. However, the papers were recently secured by parties from Register of Deeds Lindsay, of Forsyth. The bride was permitted to go with the groom to his home. It is thought that the bride's father will soon withdraw his objections to the indictment and that the unpleasantness arising from the marriage will be amicably adjusted.
