Piedmont Warehouse

WINSTON, N. C.

We wish each and every one of you a happy and prosperous New Year.

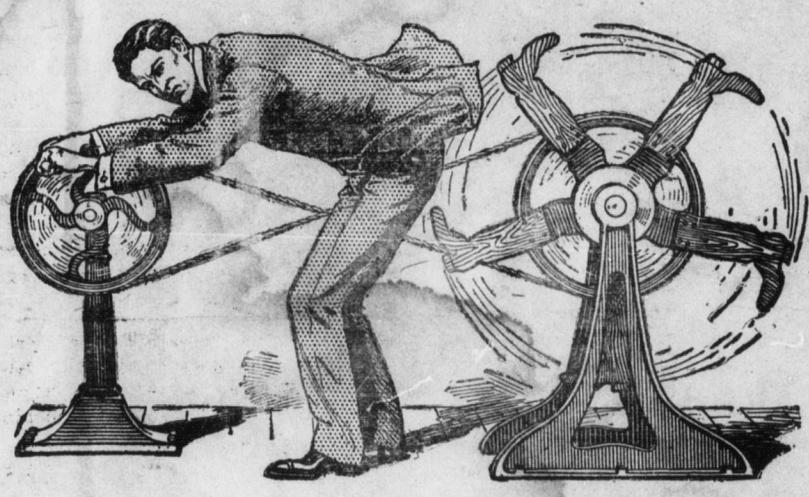

We have sold since September 1st considerably over four million pounds of tobacco (the biggest four months business we have ever done) and for this extremely liberal patronage, we thank our many friends most sincerely.

Our sales close Friday, Dec. 21st, and open again Monday, Jan. 2nd, 1907.

The market closes for the old year in good shape with prices high, and we see no reason why there should be any change after the holidays. Bring us your first load in the New Year.

If you want fair treatment at all times, the best accommodations possible and the top of the market for every pile of your tobacco, sell it at the New Piedmont, Winston.

YOUR FRIENDS,
M. W. NORFLEET & CO.

This man bought a supply of tobacco without acquainting himself with the distinctive taste of **SCHNAPPS** Tobacco, which has the cheering qualities that gratify his desire to chew, and at less expense than cheap tobacco.

SCHNAPPS has been advertised in this paper so that every chawer has had an opportunity to get acquainted with the facts and know that drugs are not used to produce the cheering quality found in the famous Piedmont country fire-cured tobacco, and that **SCHNAPPS** is what he ought to chew. Still there are chawers who accept other and cheaper tobaccos that do not give the same pleasure.

Some day they'll get a taste of the real **Schnapps**—they'll realize what enjoyment they've missed by not getting **SCHNAPPS** long ago—then they'll feel like kicking themselves.

SCHNAPPS is sold everywhere in 5 cent cuts, and 10 and 15 cent plugs. Be sure you get the genuine.

The people are earnestly requested to meet me at the above times and places, and pay their taxes promptly. This will be my third round, and the taxes are needed to meet the current expenses of the County, the Schools, and to pay the taxes due the State. The State Treasurer is urging the Sheriffs in the State to pay the State taxes as early as possible. The school teachers will soon want their money, and the current expenses of the County must be met. The first installment of the Court House and Jail building bonds will be due April the 4th, 1907, and will have to be met. The tax payers can see the necessity for payment, and it is certainly to their interest to pay them without cost. It is not, by any means, my desire to put the people to any cost, but as I am charged with the duty of collecting and settling the taxes, I must discharge my duty, and if the people do not pay, and are put to cost, they must not blame me.

This the 2nd day of January, 1907.

H. J. PETREE,
Sheriff Stokes County.
